AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of final results of antidumping duty administrative review.

SUMMARY: On September 11, 1998, the Department of Commerce (the Department) published the preliminary results of its administrative review of the antidumping duty order on oil country tubular goods ("OCTG") from Mexico covering exports of this merchandise to the United States by certain manufacturers (*Oil Country Tubular Goods from Mexico; Preliminary Results of Administrative Review ("Mexican OCTG")*, 63 FR 48599). Based on our preliminary review of these exports during the period August 1, 1996 through July 31, 1997, we found no margins for either reviewed company. We invited interested parties to comment on the preliminary results. We received comments and rebuttals from petitioners and from respondent with respect to Tubos de Acero de Mexico, S.A. ("TAMSA"). No comments were received from either party with respect to the other reviewed manufacturer, Hylsa S.A. de C.V. ("Hylsa"). We have now completed our final results of review and determine that the results have not changed for either respondent.
