

is outweighed by the lack of adequate assurances that Ms. Pierson has the needed self-esteem to withstand being intimidated to sell ephedrine for illegal purposes in the future.

Accordingly, the Deputy Administrator of the Drug Enforcement Administration, pursuant to the authority vested in him by 21 U.S.C. 823 and 824 and 28 CFR 0.100(b) and 0.104, hereby orders that the application for registration as a retail distributor of ephedrine, submitted by Jacqueline Lee Pierson, d/b/a Energy Outlet, be, and it hereby is, denied. This order is effective April 23, 1999.

Dated: March 17, 1999.

Donnie R. Marshall,

Deputy Administrator.

NATIONAL INDIAN GAMING COMMISSION

Notice of Approval of Class III Tribal Gaming Ordinances

AGENCY: National Indian Gaming Commission.

ACTION: Notice; Correction.

SUMMARY: The National Indian Gaming Commission published the Notice of

Approval of Class III Tribal Gaming Ordinances on January 29, 1999. The list of approved class III tribal gaming ordinances was incorrect. This publication corrects the mistake and updates additional approvals.

EFFECTIVE DATE: This notice is effective March 24, 1999.

FOR FURTHER INFORMATION CONTACT: Frances Fragua at the National Indian Gaming Commission, 202/632-7003, or by facsimile at 202/632-7066 (not toll-free numbers).

SUPPLEMENTARY INFORMATION: The Indian Gaming Regulatory Act (IGRA) 25 U.S.C. 2701 *et seq.*, was signed into law on October 17, 1988. The IGRA established the National Indian Gaming Commission (Commission). Section 2710 of the IGRA authorizes the Commission to approve class II and class III tribal gaming ordinances. Section 2710(d)(2)(B) of the IGRA as implemented by 25 C.F.R. Section 522.8 (58 FR 5811 (January 22, 1993)), requires the Commission to publish, in the **Federal Register**, approved class III gaming ordinances.

The IGRA requires all tribal gaming ordinances to contain the same requirements concerning ownership of the gaming activity, use of net revenues, annual audits, health and safety, background investigations and licensing of key employees. The Commission, therefore, believes that publication of each ordinance in the **Federal Register** would be redundant and result in unnecessary cost to the Commission. The Commission believes that publishing a notice of approval of each class III gaming ordinance is sufficient to meet the requirements of 25 U.S.C. Section 2710(d)(2)(B). Also, the Commission will make copies of approved class III ordinances available to the public upon request. Requests can be made in writing to the: National Indian Gaming Commission, 1441 L Street, N.W., Suite 9100, Washington, D.C. 20005.

The notice of tribal gaming ordinances authorizing class III gaming approved by the Chairman on January 29, 1999, and published in the **Federal Register**, should be corrected as follows for the following tribes:

1. Bear River Band of the Rohnerville Rancheria
2. Burns Paiute Tribe
3. Confederated Salish & Kootenai Tribes of the Flathead Nation
4. Dry Creek Rancheria
5. Grand Portage Band of Chippewa Indians
6. Iowa Tribe of Kansas and Nebraska
7. Kalispel Tribe of Indians

8. Little Traverse Bay Bands of Odawa Indians
9. Ottawa Tribe of Oklahoma
10. Pawnee Tribe of Oklahoma
11. Pueblo of Santa Clara
12. Rumsey Indian Rancheria
13. Santa Ysabel Band of Mission Indians
14. Scotts Valley Band of Pomo Indians
15. Skokomish Indian Tribe
16. Table Mountain Rancheria
17. Trinidad Rancheria
18. Washoe Tribe of Nevada and California

Barry Brandon,

General Counsel.

NUCLEAR REGULATORY COMMISSION

[Docket No. 72-3]

Carolina Power & Light Company, H. B. Robinson Nuclear Plant; Notice of Docketing of the Materials License SNM-2502 Amendment Application for the H. B. Robinson Independent Spent Fuel Storage Installation

By letter dated January 11, 1999, Carolina Power and Light Company (CP&L) submitted an application to the Nuclear Regulatory Commission (the Commission) in accordance with 10 CFR Part 72 requesting the amendment of the H. B. Robinson (HBR) independent spent fuel storage installation (ISFSI) license (SNM-2502) and the Technical Specifications for the ISFSI located at Darlington County, South Carolina. CP&L is seeking Commission approval to amend the materials license and the ISFSI Technical Specifications to change the reporting frequency for the radiological effluent reports from semi-annual to annual. Such an action would align the reporting requirements for CP&L's license with those currently in 10 CFR 50.36a(a)(2) and 10 CFR 72.44(d)(3).

This application was docketed under 10 CFR Part 72; the ISFSI Docket No. is 72-3 and will remain the same for this action. The amendment of an ISFSI license is subject to the Commission's approval.

The Commission will determine if the amendment presents a genuine issue as to whether public health and safety will be significantly affected and may issue either a notice of hearing or a notice of proposed action and opportunity for hearing in accordance with 10 CFR 72.46(b)(1) or take immediate action on the amendment in accordance with 10 CFR 72.46(b)(2).
