ENVIRONMENTAL PROTECTION AGENCY

[FRL-6316-3]

California State Motor Vehicle Pollution Control Standards; Within the Scope Request; Opportunity for Public Hearing

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice of opportunity for public hearing and public comment.

SUMMARY: The California Air Resources Board (CARB) has notified EPA that it has approved amendments to the zero-emission vehicle (ZEV) requirements of the low-emission vehicle (LEV) program, including the repeal of the ZEV requirements for model years 1998 through 2002. By letter dated February 26, 1997, California requested that EPA

confirm CARB's finding that its amendments are within-the-scope of section 209(b) of the Clean Air Act (Act), 42 U.S.C. 7543(b), of a waiver of federal preemption for the California LEV program regulations, which EPA approved on January 13, 1993.

EPA has tentatively scheduled a public hearing for April 23, 1999, to hear comments concerning CARB's request. Before this notice, EPA received submissions to the docket on this matter from the state of Massachusetts, CARB, and aftermarket associations. EPA requests comments from interested parties as to the relevance and merit of these previous submissions to the within-the-scope waiver request. If EPA does not receive a request for a public hearing, then EPA will not hold a hearing, and instead consider CARB's request based on written submissions to the docket.

DATES: EPA has tentatively scheduled a public hearing for April 23, 1999, beginning at 10:00 a.m. EPA will hold a hearing only if a party notifies EPA by April 5, 1999, expressing its interest in presenting oral testimony regarding CARB's requests or other issues noted in this notice. By April 7, 1999, any person who plans to attend the hearing should call David Dickinson of EPA's Vehicle Programs and Compliance Division at (202) 564-9256 to learn if we will hold a hearing. Any party may submit written comments by May 10, 1999.

ADDRESSES: EPA will make available for public inspection at the Air and Radiation Docket and Information Center written comments received from interested parties, in addition to any testimony given at the public hearing. The Air Docket is open during working hours from 8:00 a.m. to 4:00 p.m. at EPA, Air Docket (6102), Room M-1500, Waterside Mall, 401 M Street, SW., Washington, D.C. 20460. The reference number for this docket is A-97-20. Parties wishing to present oral testimony at the public hearing should provide written notice to David Dickinson at the address noted below. In addition, parties should send their written comments (in duplicate) regarding the within-the-scope waiver request to David Dickinson at the same address. If EPA receives a request for a public hearing, EPA will hold the public hearing in the first floor conference room at 501 3rd Street, N.W., Washington, D.C.
