[ERL-6317-1]

**Proposed Settlement Agreement, Clean Air Act Citizen Suit****AGENCY:** Environmental Protection Agency (EPA).**ACTION:** Notice of proposed settlement; request for public comment.

**SUMMARY:** In accordance with section 113(g) of the Clean Air Act, as amended, (the "Act"), this is a notice of a proposed consent decree, which the United States Environmental Protection Agency ("EPA") lodged with the United States District Court for the District of Columbia on March 12, 1999, in a lawsuit filed by the Sierra Club under section 304(a) of the Act, 42 U.S.C. 7604(a) (*Sierra Club v. Browner*, Civ. No. 98-1610). This lawsuit concerns EPA's alleged failure to promulgate regulations for fifty percent of the categories and subcategories of sources of hazardous air pollutants listed pursuant to section 112(c) of the Act, 42 U.S.C. 7412(c). The lawsuit also concerns EPA's alleged failure to promulgate regulations by November 15, 1997, for specific categories and subcategories of sources of hazardous air pollutants that EPA designated for regulation by that date under section 112(e)(3) of the Act, 42 U.S.C. 7412(e)(3). The proposed consent decree provides that EPA shall promulgate regulations under section 112(d) for specified categories and subcategories by specified deadlines.

For a period of thirty (30) days following the date of publication of this notice, you may submit written comments relating to the proposed consent decree if you were not named as a party to the litigation in question. EPA or the Department of Justice may withhold or withdraw consent to the proposed consent decree if the comments disclose facts or circumstances that indicate that such consent is inappropriate, improper, inadequate, or inconsistent with the requirements of the Act. Unless EPA or the Department of Justice determines, following the comment period, that consent is inappropriate, the final consent decree will establish deadlines for issuing certain regulations under section 112(d) of the Act.

EPA lodged a copy of the proposed consent decree with the Clerk of the United States District Court for the District of Columbia on March 12, 1999. You may also obtain a copy from Phyllis Cochran, Air and Radiation Division
