

merchandise or baggage to Customs and to a bonded warehouse no later than 20 calendar days after landing or after receipt under the permit to transfer or after arrival at the port of destination. The notice to the bonded warehouse proprietor initiates his obligation to arrange for transportation and storage of the unentered merchandise or baggage at the risk and expense of the consignee. The final regulatory texts also provide for penalties or liquidated damages against the owner or master of any conveyance, or agent thereof, for failure to provide the required notice to Customs or to a bonded warehouse proprietor. The final regulations further provide for the assessment of liquidated damages against any party who accepts custody of the merchandise or baggage under a Customs-authorized permit to transfer or in-bond entry and who fails to notify Customs and a bonded warehouse of the presence of such unentered merchandise or baggage and also against the warehouse operator who fails to take required possession of the merchandise or baggage.

The final regulatory texts as summarized above resulted from amendments to the underlying statutory authority effected by sections 656 and 658 contained within the Customs Modernization provisions of the North American Free Trade Agreement Implementation Act (Pub. L. 103-182, 107 Stat. 2057) and are primarily reflected in a revised § 4.37 (19 CFR 4.37) and in new §§ 122.50 and 123.10 (19 CFR 122.50 and 123.10), each of which is entitled "[g]eneral order." (T.D. 98-74 also included a number of conforming changes to the Customs Regulations in order to reflect a number of other statutory amendments and repeals effected by the Customs Modernization provisions and in order to reflect the recent recodification and reenactment of title 49, United States Code; the correction contained in this document bears no relationship to those other regulatory amendments.)

Although T.D. 98-74 also included a number of conforming regulatory changes to ensure consistency with the terms of revised § 4.37 and new §§ 122.50 and 123.10 (involving, for example, the removal or replacement of obsolete references to a "5-day" or "lay order" period or "extension" thereof), § 144.41(g) of the Customs Regulations (19 CFR 144.41(g)) was overlooked in this regard. This provision concerns the treatment of merchandise in a rewarehouse context. The present text, by referring to a rewarehouse entry not filed "before the expiration of 5 days after its arrival or any authorized extension," is inconsistent with, and

thus could give rise to uncertainty regarding the proper and intended applicability of, §§ 4.37, 122.50 and 123.10 in a rewarehouse context. Therefore, T.D. 98-74 should have included an appropriate revision of § 144.41(g) to clarify the operation of those general order provisions in that specific context. This document corrects this oversight.

SUPPLEMENTARY INFORMATION:

On March 25, 1999, 64 FR 14572, HUD published an interim rule revising the warranty requirements applicable to high-ratio FHA-insured single family mortgages on new homes. Two errors in the preamble for that interim rule need correction. In explaining the meaning of "new construction" or "new home", we inadvertently omitted a "not". In footnote 1, we provided an Internet address that cannot be accessed by non-HUD servers.

Accordingly, FR Doc. 99-7345, Builder Warranty for High-Ratio FHA-Insured Single Family Mortgages for New Homes (FR-4288-I-01), published in the **Federal Register** on March 25, 1999 (64 FR 14572), is corrected as follows:

1. On page 14572, second column, the second complete sentence is revised to read as follows: "(In this preamble, "new construction" or "new home" refers to any home that was not completed earlier than 1 year before the date of the application for mortgage insurance)."

2. On page 14572, third column, footnote 1, the Internet address is amended to read "http://www.hudclips.org/sub-nonhud/html/forms.htm".

Dated: March 26, 1999.
