International Trade Administration

December 1998 Sunset Reviews: Corrected Final Results and Revocations

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of Correction to Final Results and Revocations of December 1998 Sunset Reviews: Agricultural Tillage Tools from Brazil (C-351-406).

SUMMARY: On March 8, 1999, the Department of Commerce ("the Department") published in the **Federal Register** (64 FR 10993) the final results of the December 1998 sunset review of the countervailing duty order on tillage tools from Brazil and its revocation. Subsequent to the publication of the final results, we identified an inadvertent error in the action line of the notice. Specifically, the action was identified as concerning agricultural tillage tools from Argentina, not Brazil. Therefore, we are correcting this inadvertent error. As noted in the body of the original notice, the review addresses the countervailing duty order on agricultural tillage tools from Brazil.

This amendment is issued and published in accordance with sections 751(h) and 777(i) of the Act.

Dated: March 26, 1999.
