

that are eligible for the funding priorities are awarded additional points towards their final rank order score. The largest number of funding priority points is proposed for applications that are most likely to have a demonstrable impact on consent rates. Five (5) points will be awarded for this funding priority. Funding priority is also proposed for projects that address variations in consent by race and ethnicity, which may include an examination of differences in donation/transplantation knowledge, attitudes, and experiences among one or more minority groups. Two (2) points will be awarded for this funding priority. For applications that qualify, Government program staff will add the appropriate points to the score assigned by the peer review panel. (Maximum total points any application can achieve for all review criteria will be 107.)

HRSA reserves the option to fund a balance of projects in Phases 1 and 2.

Project Period

Projects will be awarded for up to 3 years.

Estimated Amount Available For This Competition

HRSA expects to award under this program up to \$5 million in FY99 to support the first year of approximately 15–20 projects. Subsequent years' funding depends on the availability of appropriations, program priorities, and recipient performance.
