

The respondents are those persons wishing authorization to deviate from certain prescribed regulations. The estimated number of applications is 25,000 with an annual burden of approximately 13,500 hours. This public reporting burden is imposed on persons that have a need to deviate from the provisions of the Federal Aviation Regulations (FAR) that govern use of airspace with the United States. This request also describes the burden associated with authorizations to make parachute jumps.

3. 2120-0507, Development of Major Repair Data. SFAR-36. This SFAR relieves qualifying applicants (aircraft maintenance, commercial aviation, aircraft repair stations, air carriers, air taxi and commercial operators) of the burden of obtaining FAA approval of data developed by them for major repair on a case-by-case basis and provides for one-time approvals. The estimated number of respondents is 20. The estimated annual burden is 500 hours.

4. 2120-0574, Aviation Safety Counselor of the Year Award. There is an estimated 200 people who will nominate a person to be considered for the Aviation Safety Counselor of the Year Award. The estimated total annual burden is 200 hours. This form is used to nominate private citizens for recognition of their volunteer services to the FAA. The agency will use the information on the form to select nine regional winners and one national winner. The respondents are private citizens involved in aviation.

Surface Transportation Board

[STB Docket No. AB-33 (Sub-No. 134X)]

Union Pacific Railroad Company—Abandonment and Discontinuance of Trackage Rights Exemption—in Los Angeles County, CA

Union Pacific Railroad Company (UP) has filed a notice of exemption under 49 CFR 1152 Subpart F—*Exempt Abandonments and Discontinuances of Service and Trackage Rights* to abandon a 1.44-mile line of railroad on the Lincoln Park Drill (the Line) from milepost 486.30 near State Street to the end of the line at milepost 487.74 near Lincoln Park, and for discontinuance of overhead trackage rights over a 0.8-mile line of the Southern California Regional Rail Authority's (SCRRA Track) San Gabriel Subdivision from milepost 485.30 to milepost 486.10 near State Street, in Los Angeles County, CA. The

line traverses United States Postal Service Zip Codes 90032 and 90033.¹

UP has certified that: (1) no local traffic has moved over the Line for at least 2 years; (2) there has been no overhead traffic on the SCRRA track during the past 2 years and any overhead traffic could be rerouted over other lines; (3) no formal complaint filed by a user of rail service on the line (or by a state or local government entity acting on behalf of such user) regarding cessation of service over the line either is pending with the Surface Transportation Board (Board) or with any U.S. District Court or has been decided in favor of complainant within the 2-year period; and (4) the requirements at 49 CFR 1105.7 (environmental reports), 49 CFR 1105.8 (historic reports), 49 CFR 1105.11 (transmittal letter), 49 CFR 1105.12 (newspaper publication), and 49 CFR 1152.50(d)(1) (notice to governmental agencies) have been met.

As a condition to this exemption, any employee adversely affected by the abandonment and discontinuance shall be protected under *Oregon Short Line R. Co.—Abandonment—Goshen*, 360 I.C.C. 91 (1979). To address whether this condition adequately protects affected employees, a petition for partial revocation under 49 U.S.C. 10502(d) must be filed. Provided no formal expression of intent to file an offer of financial assistance (OFA) has been received, this exemption will be effective on May 7, 1999, unless stayed pending reconsideration. Petitions to stay that do not involve environmental issues,² formal expressions of intent to file an OFA under 49 CFR 1152.27(c)(2),³ and trail use/rail banking requests under 49 CFR 1152.29 must be filed by April 19, 1999. Petitions to reopen or requests for public use conditions under 49 CFR 1152.28 must be filed by April 27, 1999, with: Surface Transportation Board, Office of the Secretary, Case Control Unit, 1925 K Street, NW, Washington, DC 20423.

A copy of any petition filed with the Board should be sent to applicant's representative: Joseph D. Anthofer,

¹ UP states that the SCRRA Track will continue to be operated by SCRRA.

² The Board will grant a stay if an informed decision on environmental issues (whether raised by a party or by the Board's Section of Environmental Analysis in its independent investigation) cannot be made before the exemption's effective date. See *Exemption of Out-of-Service Rail Lines*, 5 I.C.C.2d 377 (1989). Any request for a stay should be filed as soon as possible so that the Board may take appropriate action before the exemption's effective date.

³ Each offer of financial assistance must be accompanied by the filing fee, which currently is set at \$1000. See 49 CFR 1002.2(f)(25).

General Attorney, Union Pacific Railroad Company, 1416 Dodge Street, Room 830, Omaha, NE 68179.

If the verified notice contains false or misleading information, the exemption is void *ab initio*.

UP has filed an environmental report which addresses the effects, if any, of the abandonment and discontinuances on the environment and historic resources. The Section of Environmental Analysis (SEA) will issue an environmental assessment (EA) by April 12, 1999. Interested persons may obtain a copy of the EA by writing to SEA (Room 500, Surface Transportation Board, Washington, DC 20423) or by calling SEA, at (202) 565-1545. Comments on environmental and historic preservation matters must be filed within 15 days after the EA becomes available to the public.

Environmental, historic preservation, public use, or trail use/rail banking conditions will be imposed, where appropriate, in a subsequent decision.

Pursuant to the provisions of 49 CFR 1152.29(e)(2), UP shall file a notice of consummation with the Board to signify that it has exercised the authority granted and fully abandoned its line. If consummation has not been effected by UP's filing of a notice of consummation by April 7, 2000, and there are no legal or regulatory barriers to consummation, the authority to abandon will automatically expire.

Board decisions and notices are available on our website at "WWW.STB.DOT.GOV."

Decided: March 31, 1999.

By the Board, David M. Konschnik, Director, Office of Proceedings.
