**ACTION:** Notice of deletion of two systems of records.

**SUMMARY:** Pursuant to the provisions of the Privacy Act of 1974, as amended (5 U.S.C. 552a), notice is hereby given that the Department of the Interior is deleting two systems of records managed by the Office of Surface Mining (OSM). records are covered by and maintained in "Safety Management Information System—Interior/DOI-60," published in the **Federal Register** on January 6, 1997 (62 FR 767) and "Employee Medical File System—OPM/GOVT-10," published in the **Federal Register** on July 15, 1996 (61 FR 36919).

**DATES:** These actions will be effective April 7, 1999.

**FOR FURTHER INFORMATION CONTACT:** Barbara Russell, Chief, Office of Administration, Assistant Directorate, Finance and Administration, Office of Surface Mining, at (202) 208-2593.

**SUPPLEMENTARY INFORMATION:** Earlier Privacy Act Compilations list the systems of records with the prefix of "OSMRE" (e.g., OSMRE-4) when originally published in the **Federal Register**. The prefix was later changed to "OSM" in subsequent records systems for convenience; the content of the systems of records is the same.

The two systems of records being deleted and the reasons for deletion are listed below:

1. Interior/OSMRE-4, "Property Control," previously published in the **Federal Register** on December 27, 1988 (53 FR 52241). The records contained in this system of records are covered by and maintained in Interior/MMS-2, "Personal Property Accountability Records," published in the **Federal Register** on February 18, 1999 (64 FR 8111). Records can be located by contacting the System Manager(s) listed in MMS-2: Chief, Support Services Branch, Procurement and Support Services Division, Minerals Management Services Division, Minerals Management Service, Mail Stop 2520, 381 Elden Street, Herndon, Virginia 20170-4817 or Chief, Office of Administration, Office of Surface Mining, 1951 Constitution Avenue, NW, Washington, DC 20240.

#### Privacy Act of 1974, as Amended; Systems of Records

**AGENCY:** Office of Surface Mining, Interior.

**ACTION:** Notice of deletion.

**SUMMARY:** Pursuant to the provisions of the Privacy Act of 1974, as amended (5 U.S.C. 552a), notice is hereby given that the Department of the Interior is deleting one system of records managed by the Office of Surface Mining. The system of records entitled "Personnel Security Files—Interior/OSMRE-7," is deleted because the system is covered by and maintained in two other systems of records notices.

**DATE:** Action will be effective April 7, 1999.

**FOR FURTHER INFORMATION CONTACT:** Peggy Moran-Gicker, Office of Personnel, Office of Surface Mining, at (202) 208-2762.

**SUPPLEMENTARY INFORMATION:** Earlier Privacy Act Compilations list the systems of records with the prefix of "OSMRE" (e.g., OSMRE-7) when originally published in the **Federal Register**. The prefix was later changed to "OSM" in subsequent records systems for convenience; the content of the systems of records was the same. "Personnel Security Files—Interior/OSMRE-7" was previously published in the **Federal Register** on June 6, 1989 (54 FR 24270). The Office of Surface Mining has recently completed a Privacy Act review of OSMRE-7. It was determined that this system of records is covered by and maintained in Interior/OS-45, "Security Clearance Files and Other Reference Files" and OPM/Central-9, "Personnel Investigations Records." Therefore, we are deleting OSMRE-7 from the Privacy Act systems of records for the Department of the Interior. Records can be located by contacting the System Manager(s) and following the procedures listed in those notices.

#### Privacy Act of 1974, Amended; Systems of Records

**AGENCY:** Office of Surface Mining, Interior.

**ACTION:** Notice of deletion of two systems of records.

**SUMMARY:** Pursuant to the provisions of the Privacy Act of 1974, as amended (5 U.S.C. 552a), notice is hereby given that the Department of the Interior is deleting two systems of records managed by the Office of Surface Mining (OSM). The system of records entitled "Net Worth Determination File—Interior/OSMRE-10" and the system of records entitled "Collection Management Information System (CMIS)—Interior/OSMRE-11" both have been re-examined and determined not to be subject to the Privacy Act.

**DATES:** These actions will be effective April 7, 1999.

**FOR FURTHER INFORMATION CONTACT:**

Mark H. White, Team Leader, Fee Accounting and Collections Team, Office of Surface Mining, at (303) 236-0330 X242.

**SUPPLEMENTARY INFORMATION:** Earlier Privacy Act Compilations list the system of records with the prefix of "OSMRE" (e.g., OSMRE-10 and OSMRE-11) when originally published in the **Federal Register**. The prefix was later changed to "OSM" in subsequent records systems for convenience; the content of the systems of records was the same. The two system of records notices being deleted and the reasons for deletion are listed below.

1. Interior, OSM-10, "Net Worth Determination File," previously published in the **Federal Register** on February 14, 1991 (56 FR 6032). A Privacy Act review of OSM-10 has recently been completed by OSM. An opinion issued on August 30, 1988 by the General Counsel, Office of Management and Budget (OMB) affirmed OMB's 1975 guidelines, which interpreted the statutory term "individual" to exclude natural persons acting in an entrepreneurial capacity from coverage of the Privacy Act. A review of the Net Worth Determination File indicated that the records solely contain information about persons acting in an entrepreneurial capacity. Therefore, the system is not subject to the Privacy Act and the notice is being deleted from the Department's compilation of Privacy Act systems of records notices.

2. Interior, OSM-11, "Collection Management Information System (CMIS)," previously published in the **Federal Register** on July 11, 1989 (54 FR 29108). A Privacy Act review of OSM-11 has also been completed by OSM. An opinion issued on August 30, 1988 by the General Counsel, Office of Management and Budget (OMB)

affirmed OMB's 1975 guidelines, which interpreted the statutory term "individual" to exclude natural persons acting in an entrepreneurial capacity from coverage of the Privacy Act. A review of CMIS indicated that the records solely contain information about persons acting in an entrepreneurial capacity. Therefore, the system is not subject to the Privacy Act and the notice is being deleted from the Department's compilation of Privacy Act systems of records notices.

### Investigation No. 731-TA-130 (Review)

#### Chloropicrin from China
