

**ACTION:** Notice of deletion of two systems of records.

**SUMMARY:** Pursuant to the provisions of the Privacy Act of 1974, as amended (5 U.S.C. 552a), notice is hereby given that the Department of the Interior is deleting two systems of records managed by the Office of Surface Mining (OSM). The system of records entitled "Net Worth Determination File—Interior/OSMRE-10" and the system of records entitled "Collection Management Information System (CMIS)—Interior/OSMRE-11" both have been re-examined and determined not to be subject to the Privacy Act.

**DATES:** These actions will be effective April 7, 1999.

**FOR FURTHER INFORMATION CONTACT:**

Mark H. White, Team Leader, Fee Accounting and Collections Team, Office of Surface Mining, at (303) 236-0330 X242.

**SUPPLEMENTARY INFORMATION:** Earlier Privacy Act Compilations list the system of records with the prefix of "OSMRE" (e.g., OSMRE-10 and OSMRE-11) when originally published in the **Federal Register**. The prefix was later changed to "OSM" in subsequent records systems for convenience; the content of the systems of records was the same. The two system of records notices being deleted and the reasons for deletion are listed below.

1. Interior, OSM-10, "Net Worth Determination File," previously published in the **Federal Register** on February 14, 1991 (56 FR 6032). A Privacy Act review of OSM-10 has recently been completed by OSM. An opinion issued on August 30, 1988 by the General Counsel, Office of Management and Budget (OMB) affirmed OMB's 1975 guidelines, which interpreted the statutory term "individual" to exclude natural persons acting in an entrepreneurial capacity from coverage of the Privacy Act. A review of the Net Worth Determination File indicated that the records solely contain information about persons acting in an entrepreneurial capacity. Therefore, the system is not subject to the Privacy Act and the notice is being deleted from the Department's compilation of Privacy Act systems of records notices.

2. Interior, OSM-11, "Collection Management Information System (CMIS)," previously published in the **Federal Register** on July 11, 1989 (54 FR 29108). A Privacy Act review of OSM-11 has also been completed by OSM. An opinion issued on August 30, 1988 by the General Counsel, Office of Management and Budget (OMB)

affirmed OMB's 1975 guidelines, which interpreted the statutory term "individual" to exclude natural persons acting in an entrepreneurial capacity from coverage of the Privacy Act. A review of CMIS indicated that the records solely contain information about persons acting in an entrepreneurial capacity. Therefore, the system is not subject to the Privacy Act and the notice is being deleted from the Department's compilation of Privacy Act systems of records notices.

On the basis of the record<sup>1</sup> developed in the subject five-year review, the United States International Trade Commission determines, pursuant to section 751(c) of the Tariff Act of 1930 (19 U.S.C. 1675(c)) (the Act), that revocation of the antidumping duty order on chloropicrin from China would be likely to lead to continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time.

##### Background

The Commission instituted this review on November 2, 1998 (63 F.R. 58761), and determined on February 4, 1999, that it would conduct an expedited review (64 F.R. 9173, Feb. 24, 1999).

The Commission is scheduled to transmit its determination in this investigation to the Secretary of Commerce on April 1, 1999. The views of the Commission will be contained in USITC Publication 3175 (April 1999), entitled Chloropicrin from China: Investigation No. 731-TA-130 (Review).

On the basis of the record<sup>1</sup> developed in the subject investigation, the United States International Trade Commission determines, pursuant to section 733(a) of the Tariff Act of 1930 (19 U.S.C. § 1673b(a)), that there is a reasonable indication that an industry in the United States is materially injured by reason of imports from the People's Republic of China of creatine monohydrate, provided for in subheading 2925.20.90 of the Harmonized Tariff Schedule of the United States, that are alleged to be sold in the United States at less than fair value (LTFV).

Parties that filed entries of appearance in the preliminary phase of the investigation need not enter a separate appearance for the final phase of the investigation. Industrial users, and, if the merchandise under investigation is sold at the retail level, representative consumer organizations have the right to appear as parties in Commission antidumping and countervailing duty investigations.
