COMMITTEE FOR PURCHASE FROM PEOPLE WHO ARE BLIND OR SEVERELY DISABLED

Procurement List; Additions and Deletions

SUPPLEMENTARY INFORMATION: On February 19 and 26, 1999, the Committee for Purchase From People Who Are Blind or Severely Disabled published notices (63 F.R. 8291, 9469 and 9470) of proposed additions to and deletions from the Procurement List:

Additions

The following comments pertain to Grounds Maintenance, Shaw Air Force Base, South Carolina: Comments were received from the current contractor for this grounds maintenance service. The contractor stated that adding the contract to the JWOD Program would have a significantly detrimental impact on the company and its ability to be competitive. The contractor noted that the firm was a small business and said that the contract in question represented a specific amount of its annual General and Administrative dollars.

The Committee noted that the percentage of the contractor's estimated annual revenue was below the level the Committee considers to represent possible severe adverse impact. Because the contractor provided no context for the comment on its General and Administrative dollars and the amount itself was not substantial, the Committee was not persuaded that losing it would have a significant detrimental impact on the firm. The Committee also considered that although several other contracts previously held by the contractor have been placed in the JWOD Program over the past decade, the contractor's sales have risen by almost 50 percent. Even taking into account inflation, this level of increase shows that the firm has not been severely adversely impacted by past actions.

The following material pertains to all of the items being added to the Procurement List:

After consideration of the material presented to it concerning capability of qualified nonprofit agencies to provide the commodities and services and impact of the additions on the current
