19 CFR Part 122**Withdrawal of International Airport Designation of Akron Fulton Airport**

AGENCY: U.S. Customs Service, Department of the Treasury.

ACTION: Final rule.

SUMMARY: This document amends the Customs Regulations pertaining to the field organization of the Customs Service by withdrawing the international airport designation of Akron Municipal Airport (now functioning as Akron Fulton Airport) and by designating Akron Fulton Airport as a landing rights airport instead. The change is made as part of Customs continuing program to obtain more efficient use of its personnel, facilities and resources, and to provide better service to carriers, importers and the general public.

EFFECTIVE DATE: May 17, 1999.

SUPPLEMENTARY INFORMATION:**Background**

As part of a continuing program to obtain more efficient use of its personnel, facilities and resources and to provide better service to carriers, importers and the general public, Customs proposed to withdraw the international airport designation of Akron Municipal Airport (now functioning as Akron Fulton Airport) and to designate Akron Fulton Airport as a landing rights airport instead. A

Notice of Proposed Rulemaking to this effect was published in the **Federal Register** (63 FR 11383) on March 9, 1998. The designation as an international airport was proposed to be withdrawn because of lack of sufficient international travel through the airport and because of failure of the airport operator to maintain an adequate facility.

Determination

No comments either supporting or opposing the proposal were received. After further consideration of the proposal, Customs has determined to proceed with withdrawing the international airport designation of Akron Fulton Airport and to designate the airport as a landing rights airport instead. The Customs inspectors stationed adjacent to the Akron-Canton Regional Airport will be able to provide Customs services to international aircraft at the Akron Fulton Airport on an as-needed basis.

Regulatory Flexibility Act and Executive Order 12866
