Administration****Notice of a Change in Status of an
Extended Benefit (EB) Period for
Alaska**

This notice announces a change in benefit period eligibility under the EB Program for Alaska.

Summary

The following change has occurred since the publication of the last notice regarding the State's EB status:

- February 21, 1999 Alaska triggered "on" EB. Alaska's 13-week insured unemployment rate rose above the 6.0 percent threshold necessary to be triggered "on" to EB for the week ending February 6, 1999.

Information for Claimants

The duration of benefits payable in the EB Program, and the terms and conditions on which they are payable, are governed by the Federal-State Extended Unemployment Compensation Act of 1970, as amended, and the operating instructions issued to the States by the U.S. Department of Labor. In the case of a State beginning an EB period, the State employment security agency will furnish a written notice of potential entitlement to each individual who has exhausted all rights to regular benefits and is potentially eligible for EB (20 CFR 615.13(c)(1)).

Persons who believe they may be entitled to EB, or who wish to inquire about their rights under the program, should contact the nearest State employment service office or unemployment compensation claims office in their locality.

Signed at Washington, D.C., on April 12, 1999.

SUPPLEMENTARY INFORMATION:**I. Background**

The Current Population Survey (CPS) has been the principal source of the

official government statistics on employment and unemployment for over 50 years. Collection of labor force data through the CPS is necessary to meet requirements in Title 29, United States Code, Section 1 through 9. The Veterans Supplement meets the demands of Public Law 100-323, Section 9 (38 U.S.C. 2010A), as amended by Public Law 103-446, Section 701c, which mandates the Department of Labor to report on the labor force status of disabled veterans, Vietnam-theater veterans, and recently discharged veterans.

The Veterans Supplement provides information on the number and characteristics of disabled veterans, veterans who served in the Vietnam war theater, and recently separated veterans, including their employment status. The supplement provides data on veterans' participation in various employment training programs.

These data will be used by the Veterans Employment and Training Service and the Department of Veterans Affairs to determine policies that better meet the needs of our Nation's veteran population.
