## UNITED STATES INFORMATION AGENCY

### Program Title Small Grants Competition on Women's Leadership Training; Request for Proposals

**SUMMARY:** The Office of Citizen Exchanges of the United States Information Agency's Bureau of Educational and Cultural Affairs announces an open competition for Small Grant Awards on Women's Leadership Training. Public and private

non-profit organizations meeting the provisions described in IRS regulation 26 CFR 1.501c may submit proposals to provide leadership training to women active in communities in Sub-Saharan Africa, the Middle East or Latin America.

### Program Information

#### Overview

The Office of Citizen Exchanges of the United States Information Agency's Bureau of Educational and Cultural Affairs announces a new small grants competition for local community-based organizations interested in internationalizing their educational, professional and cultural efforts or gaining support for ongoing international exchange programs. This competition is aimed at local-level grassroots organizations that have not received prior funding directly from USIA. It is expected that a large number of submissions will be received. Creative and innovative ideas are sought.

In this new outreach, USIA solicits proposals from a diverse grassroots audience, including local chapters of national non-governmental organizations. The goal of the initiative is to encourage smaller organizations or local units of national groups to expand the scope of their work by building linkages with counterparts in certain other countries.

USIA seeks proposals that provide professional experience and exposure to American life and culture through internships hosted by local institutions and home stays with members of the community. The experience also provides Americans the opportunity to learn about different cultures. Travel under these grants may constitute an exchange or provide only for foreigners to visit the United States. The program is not academic in nature; it is designed to provide practical, hands-on experience in U.S. public/private sector settings that may be adapted to an individual's institution upon return home. Proposals may combine elements of professional enrichment, job shadowing and internships appropriate to the language ability and interests of the participants. Since most civic activities are concerned with community-based issues that directly affect individuals' lives, local issues and institutions should be the focus of the program.

Exchanges should be two-to-three weeks in length. It is anticipated that programs will be conducted between October 1999 and October 2000. Successful projects will enhance the
