Firstmiss Steel, Inc., Hollsopple, Pennsylvania; Notice of Affirmative Determination Regarding Application for Reconsideration

By letter of February 3, 1999, the United Steelworkers of America requested administrative reconsideration of the Department of Labor's Notice of Negative Determination Regarding Eligibility To Apply for Worker Adjustment Assistance for workers of the subject firm. The denial notice was signed on January 29, 1999, and published in the **Federal Register** on February 25, 1999 (64 FR 9353).

The petitioner presents evidence that the Department's customer survey was incomplete.

Conclusion

After careful review of the application, I conclude that the claim is of sufficient weight to justify reconsideration of the Department of Labor's prior decision. The application is, therefore, granted.

Signed at Washington, DC, this 5th day of April, 1999.

Grant D. Beale,

Acting Director, Office of Trade Adjustment Assistance.

National Fruit Products Company, Inc., Kent City, Michigan; Notice of Negative Determination on Reconsideration

On February 16, 1999, the Department issued an Affirmative Determination Regarding Application for Reconsideration for the workers and former workers of the subject firm. The petitioners presented evidence that the customer survey was incomplete. The notice was published in the **Federal Register** on February 25, 1999 (64 FR 9357).

The Department initially denied TAA to workers of National Fruit Products Company, Inc. because the "contributed importantly" group eligibility requirement of Section 222(3) of the Trade Act of 1974, as amended, was not met. The investigation revealed that aggregate U.S. imports of articles like or directly competitive with the apple products processed at the Kent City, Michigan plant declined in January through October 1998 compared to January through October 1997. The subject firm shifted production of processed apple products from Kent City, Michigan to another domestic facility.

Fiscal year sales and production of processed apple products at Kent City increased in 1998 compared to 1997. On reconsideration, the investigation revealed that corporate-wide sales increased during the same time period. Therefore, a customer survey would serve no purpose. Declines in employment at the subject plant are primarily attributed to the company's decision to transfer production from Kent City, Michigan to another domestic facility.

Conclusion

After reconsideration, I affirm the original notice of negative determination of eligibility to apply for worker adjustment assistance for workers and former workers of National Fruit Products Company, Inc., Kent City, Michigan, under section 223 of the Trade Act of 1974.

Signed at Washington, DC, this 31st day of March 1999.

Acting Director, Office of Trade Adjustment Assistance.
