## EXPORT-IMPORT BANK OF THE UNITED STATES

[Public Notice 37]

### Agency Information Collection Activities; Submission for OMB Review; Comment Request

**AGENCY:** Export-Import Bank of the United States.

**ACTION:** Notice.

**SUMMARY:** Under the provisions of the Paperwork Reduction Act of 1995 (44 U.S.C., Chapter 35), the Export-Import Bank of the United States is submitting to the Office of Management and Budget (OMB) a request to review and approve both an extension and revision to several insurance forms which will all expire on May 31, 1999. The Export-Import Bank of the United States (Ex-Im Bank) provides a variety of export credit insurance policies to exporters and institutions financing exports. The forms covering these policies are the applications for insurance which incorporate questionnaires and certificates. They provide information which allows the Bank to obtain legislatively required reasonable

assurance of repayment and they fulfill other statutory requirements. The forms EIB 92-34, -41, -45, -48, -50, -64, and 92-79 now request, but do not require, gender and ethnic identification. EIB Form 92-48 has been revised to include Ex-Im Bank guidelines describing standards of creditworthiness for foreign obligors and, under certain circumstances, the form will require demonstration that such standards are met. The revisions to EIB 92-48 will probably result in a longer response time. All of the forms require a three-year extension. A request for public comment on this was published in 64 FR, 6654, February 10, 1999. No comments were received.

**DATES:** Written comments should be received on or before May 27, 1999.
