ACTION: Notice of extension of time limits for preliminary results of antidumping duty administrative review.

EFFECTIVE DATE: May 3, 1999.

The Applicable Statute

Unless otherwise indicated, all citations to the statute are references to the provisions effective January 1, 1995, the effective date of the amendments made to the Tariff Act of 1930 (the Act) by the Uruguay Round Agreements Act.

Extension of Time Limits for Preliminary Results

The Department of Commerce (the Department) received a request to conduct an administrative review of the antidumping duty order on Gray Portland Cement and Clinker from Mexico. On September 29, 1998, the Department initiated this administrative review covering the period August 1, 1997, through July 31, 1998.

Because of the complexity of certain issues in this case, it is not practicable to complete this review within the time limits mandated by section 751(a)(3)(A) of the Act. Therefore, in accordance with that section, the Department is extending the time limits for the preliminary results to August 31, 1999 (see Memorandum from Richard Moreland to Robert LaRussa, Re: Extension of Preliminary Results). The Department intends to issue the final results of review 120 days after the publication of the preliminary results. This extension of the time limit is in accordance with section 751(a)(3)(A) of the Act.

Dated: April 27, 1999.

Richard W. Moreland,

Deputy Assistant Secretary for Import Administration.

Malleable Cast Iron Pipe Fittings From Brazil and Thailand: Extension of Time Limit for Preliminary Results of Five-Year Reviews

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of extension of time limit for preliminary results of five-year ("sunset") reviews.

SUMMARY: The Department of Commerce ("the Department") is extending the time limit for the preliminary results of the sunset reviews on the antidumping duty orders on malleable cast iron pipe fittings from Brazil and Thailand. Based on adequate responses from domestic and respondent interested parties, the Department is conducting full sunset reviews to determine whether revocation of these orders would be likely to lead to continuation or recurrence of dumping. As a result of this extension, the Department intends to issue its preliminary results not later than July 23, 1999.

EFFECTIVE DATE: May 3, 1999.

FOR FURTHER INFORMATION CONTACT: Jason M. Appelbaum or Melissa G. Skinner, Import Administration, International Trade Administration, U.S. Department of Commerce, Pennsylvania Avenue and 14th Street, N.W., Washington, D.C. 20230; telephone: (202) 482-5050, or (202) 482-1560 respectively.

Extension of Preliminary Results

The Department has determined that the sunset reviews of the antidumping duty orders on malleable cast iron pipe fittings from Brazil and Thailand are extraordinarily complicated. In accordance with section 751(c)(5)(C)(v) of the Tariff Act of 1930, as amended ("the Act"), the Department may treat a review as extraordinarily complicated if it is a review of a transition order (*i.e.*, an order in effect on January 1, 1995). See section 751(c)(6)(C) of the Act. The Department is extending the time limit for completion of the preliminary results of these reviews until not later than July 23, 1999, in accordance with
