Florida Gas Transmission Company; Notice of Proposed Changes in FERC Gas Tariff

April 28, 1999.

Take notice that on April 22, 1999, Florida Gas Transmission Company (FGT) tendered for filing to become part of its FERC Gas Tariff, Third Revised Volume No. 1 (Tariff), effective May 1, 1999, the following tariff sheets:

Thirty-Fourth Revised Sheet No. 8A
Twenty-Fifth Revised Sheet No. 8A.01
Twenty-Sixth Revised Sheet No. 8A.02
Thirtieth Revised Sheet No. 8B
Twenty-Third Revised Sheet No. 8B.01

FGT states that it filed to establish a Base Fuel Reimbursement Charge Percentage (Base FRCP) of 2.76% for the six-month Summer Period beginning April 1, 1999 in Docket Nos. TM99-4-34-000 and -001 filed on February 25, 1999 and March 5, 1999, respectively. On March 17, 1999, prior to the Commission's approval of the Base FRCP, FGT Submitted a flex adjustment of <0.26%> to be effective April 1, 1999 in Docket No. TM99-5-34-000. The Base FRCP of 2.76% was accepted by Commission letter order issued March 29, 1999, and the flex adjustment was subsequently accepted on April 9, 1999, resulting in an Effective Fuel Reimbursement Charge Percentage of

2.50% effective April 1, 1999. In the instant filing, FGT is revising its flex adjustment from <0.26%> to 0.24% to be effective May 1, 1999, which results in an Effective Fuel Reimbursement Charge Percentage of 3.00% when combined with the Base FRCP of 2.76%.

FGT states that the tariff sheets listed above are being filed pursuant to Section 27A.2.b of the General Terms and Conditions of FGT's Tariff, which provides for flex adjustments to the Base FRCP. Pursuant to the terms of Section 27A.2.b, a flex adjustment shall become effective without prior FERC approval provided that such flex adjustment does not exceed 0.50% from the Base FRCP, is effective at the beginning of a month, is posted on FGT's EBB at least five working days prior to the nomination deadline, and is filed no more than sixty and at least seven days before the proposed effective date. The instant filing comports with these provisions and FGT has posted notice of the flex adjustment prior to the instant filing.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Sections 385.214 of 385.211 of the Commission's Rules and Regulations. All such motions or protests must be filed in accordance with Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.
