## FEDERAL COMMUNICATIONS COMMISSION

### 47 CFR Part 73

[MM Docket No. 99-139; RM-9402; RM-9412]

#### Radio Broadcasting Services; Princeville, Kapaa and Kalaheo, HI

**AGENCY:** Federal Communications Commission.

**ACTION:** Proposed rule.

**SUMMARY:** This document requests comments on two separately filed interrelated petitions for rule making concerning the community of Princeville, Hawaii, that have been combined into a single docket for consideration. The first proposal, filed on behalf of Vetter Communications Co., Inc., permittee of Station KAWT(FM), Channel 255C1, Princeville, requests the reallocation of Channel 255C1 to Kapaa, Hawaii, as that community's first local aural transmission service and modification of its authorization accordingly (RM-9402). The second proposal, filed on behalf of The B&GRS Partnership, permittee of Station KAYI(FM), Channel 260C1, Princeville, seeks the reallocation of Channel 260C1 to Kalaheo, Hawaii, as that community's first local aural transmission service and the concomitant modification of its authorization (RM-9412). The proposals, filed pursuant to the provisions of § 1.420(i) of the Commission's Rules, would leave Princeville without local aural transmission service if each is granted. Therefore, in the event it is determined that one of the allotments must remain at Princeville, the two requests will be comparatively considered in accordance with the *Modification of FM and TV Authorizations to Specify a New Community of License, Memorandum Opinion and Order*, 5 FCC Rcd 7094 (1990). Coordinates used for Channel 255C1 at Kapaa are 22-04-42 NL and 159-19-19 WL. Coordinates used for Channel 260C1 at Kalaheo are 21-59-54 NL and 159-25-35 WL.

**DATES:** Comments must be filed on or before June 21, 1999, and reply comments on or before July 6, 1999.

**ADDRESSES:** Secretary, Federal Communications Commission, Washington, DC 20554.
