

FOR FURTHER INFORMATION CONTACT:

Patrick J. Sherrill (202) 708-8196.

Individuals who use a telecommunications device for the deaf (TDD) may call the Federal Information Relay Service (FIRS) at 1-800-877-8339 between 8 a.m. and 8 p.m., Eastern time, Monday through Friday.

SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) requires that the Office of Management and Budget (OMB) provide interested Federal agencies and the public an early opportunity to comment on information collection requests. OMB may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the information collection, violate State or Federal law, or substantially interfere with any agency's ability to perform its statutory obligations. The Acting Leader, Information Management Group, Office of the Chief Information Officer, publishes that notice containing proposed information collection requests prior to submission of these requests to OMB. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g. new, revision, extension, existing or reinstatement; (2) Title; (3) Summary of the collection; (4) Description of the need for, and proposed use of, the information; (5) Respondents and frequency of collection; and (6) Reporting and/or Recordkeeping burden. OMB invites public comment at the address specified above. Copies of the requests are available from Patrick J. Sherrill at the address specified above.

Dated: May 3, 1999.

William E. Burrow,

Acting Leader, Information Management Group, Office of the Chief Information Officer.

Office of Student Financial Assistance Programs

Type of Review: Extension.

Title: Equity in Athletics Disclosure Act.

Frequency: Annually.

Affected Public: Not-for-profit institutions.

Reporting and Recordkeeping Burden:

Responses: 1,800.

Burden Hours: 9,900.

Abstract: The Equity in Athletics Disclosure Act amended the Higher Education Act of 1965 to require coeducational institutions of higher education that participate in any program under Title IV of the Higher Education Act of 1965 and have an intercollegiate program, to annually

make available upon request a report on institutional financing and student and staff participation in men's and women's intercollegiate athletics.

BILLING CODE 4000-01-P

DEPARTMENT OF ENERGY

[Docket No. EA-145-A]

Application To Export Electric Energy; British Columbia Power Exchange Corp.

AGENCY: Office of Fossil Energy, DOE.

ACTION: Notice of application.

SUMMARY: British Columbia Power Exchange Corporation (Powerex) has applied for renewal of its authority to transmit electric energy from the United States to Mexico pursuant to section 202(e) of the Federal Power Act.

DATES: Comments, protests or requests to intervene must be submitted on or before June 7, 1999.

ADDRESSES: Comments, protests or requests to intervene should be addressed as follows: Office of Coal & Power Im/Ex (FE-27), Office of Fossil Energy, U.S. Department of Energy, 1000 Independence Avenue, SW, Washington, DC 20585-0350 (FAX 202-287-5736).

FOR FURTHER INFORMATION CONTACT: Xavier Puslowski (Program Office) 202-586-4708 or Michael Skinker (Program Attorney) 202-586-6667.

SUPPLEMENTARY INFORMATION: On May 30, 1997, the Office of Fossil Energy (FE) of the Department of Energy (DOE) authorized Powerex to transmit electric energy from the United States to Mexico as a power marketer using the international electric transmission facilities of San Diego Gas and Electric Company. That two-year authorization will expire on May 30, 1999. On April 15, 1999, Powerex filed an application with FE for renewal of this export authority and requested that the Order be issued for an additional two-year term.

DOE notes that the circumstances described in this application are virtually identical to those for which export authority had previously been granted in FE Order EA-145. Consequently, DOE believes that it has adequately satisfied its responsibilities under the National Environmental Policy Act of 1969 through the documentation of a categorical exclusion in the FE Docket EA-145 proceeding.

Procedural Matters

Any person desiring to become a party to this proceeding or to be heard by filing comments or protests to this application should file a petition to intervene, comment or protest at the address provided above in accordance with §§ 385.211 or 385.214 of the FERC's Rules of Practice and Procedures (18 CFR 385.211, 385.214). Fifteen copies of each petition and protest should be filed with the DOE on or before the date listed above.

Comments on the Powerex request to export to Mexico should be clearly marked with Docket EA-145-A. Additional copies are to be filed directly with Mr. Douglas Little, Vice President, Trade Policy & Development, British Columbia Power Exchange Corporation, 666 Burrard Street, Suite 1400, Vancouver, British Columbia, Canada V6C 2X8, AND Paul W. Fox, Esq., Bracewell & Patterson, L.L.P., 111 Congress Avenue, Suite 2300, Austin, Texas 78701, AND Tracey L. Bradley, Energy Regulatory Consultant, Bracewell & Patterson, L.L.P., 2000 K Street, NW, Suite 500, Washington, DC 20006.

Copies of this application will be made available, upon request, for public inspection and copying at the address provided above or by accessing the Fossil Energy Home Page at <http://www.fe.doe.gov>. Upon reaching the Fossil Energy Home page, select "Regulatory Programs," then "Electricity Regulation," and then "Pending Proceedings" from the options menus.

Issued in Washington, DC, on April 30, 1999.

Anthony J. Como,

Manager, Electric Power Regulation, Office of Coal & Power Im/Ex, Office of Coal & Power Systems, Office of Fossil Energy.
