

SUMMARY: The Bureau of Land Management has determined that the lands described below are suitable for public sale under section 203 of the Federal Land Policy and Management Act of 1976, 43 U.S.C. 1713:

Sixth Principal Meridian

T. 25 N., R. 118 W.,
Section 19, lot 38;
Section 20, lot 33.

The above lands aggregate 40 acres.

FOR FURTHER INFORMATION CONTACT:

Becky Heick, Realty Specialist, Bureau of Land Management, Kemmerer Field Office, 312 Highway 189 North, Kemmerer, Wyoming 83101, 307-828-4506.

SUPPLEMENTARY INFORMATION: The Bureau of Land Management proposes to sell the surface estate of the above land to Mr. Robert Kirk, an adjacent landowner, by direct sale, at fair market value. The disposal of this land will resolve an inadvertent trespass.

The proposed sale is consistent with the Kemmerer Resource Area Management Plan and would serve important public objectives which cannot be achieved prudently or feasibly elsewhere. The lands contain no significant public values. The planning document and environmental assessment covering the proposed sale are available for review at the Bureau of Land Management, Kemmerer Field Office, Kemmerer, Wyoming.

Conveyance of the above public lands will be subject to:

1. Reservation of a right-of-way to the United States for ditches and canals pursuant to the Act of August 30, 1890, 43 U.S.C. 945.

2. Reservation of all minerals pursuant to section 209(a) of the Federal Land Policy and Management Act of 1976, 43 U.S.C. 1719.

Pursuant to the authority contained in Section 4 of Executive Order 11990 dated May 24, 1977 (42 FR 26961), and the Federal Land Policy and Management Act of 1976, 43 U.S.C. 1713, 1718, 1719, this sale will be subject to a permanent restriction which constitutes a covenant running with the land for the purpose of protecting and preserving the wetland areas. The land may not be used for the construction or placement of any buildings, structures, facilities, or other improvements, excluding fences, and that "new construction" on the land as defined in Section 7(b) of Executive Order 11990 is prohibited. Draining or causing to drain any of the areas that are too wet for crop production would be prohibited. No disturbance of willows or filling of wet areas or alteration of the river channel for the purpose of creating farmable

lands will be allowed without formal consultation with the Corps of Engineers. The restriction applies to the entire 40 acre parcel.

Sale of the parcel will result in the cancellation of the Curtis Allotment and the 25 associated federal AUMs. Robert Kirk is the current lessee of this allotment, and has signed a waiver allowing for cancellation of this grazing permit.

Upon publication of this notice in the **Federal Register**, the above described land will be segregated from all forms of appropriation under the public land laws, including the general mining laws, except for leasing under the mineral leasing laws.

For a period of 45 days after issuance of this notice, interested parties may submit comments to the Field Manager, Kemmerer Field Office, Bureau of Land Management, 312 Hwy. 189 North, Kemmerer, WY 83101. Any adverse comments will be evaluated by the State Director who may sustain, vacate, or modify this realty action. In the absence of any objections, this proposed realty action will become final.

Dated: April 21, 1999.

Jeff Rawson,
Field Manager.
