**Miller Brothers Industries, Inc., Corsicana, Texas; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance**

In accordance with Section 223 of the Trade Act of 1974 (19 USC 2273) the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on April 14, 1999, applicable to workers of Miller Brothers Industries, Inc., Corsicana, Texas engaged in the production of constructed caps. The notice will be published soon in the **Federal Register**.

At the request of the company, the Department reviewed the certification for workers of the subject firm. New findings shows that the Department incorrectly limited the certification to "all workers engaged in employment related to the production of constructed caps." The intent of the Department's certification is to include "all workers" of Miller Brothers Industries, Inc., Corsicana, Texas adversely affected by increased imports.

The Department is amending the certification determination to correctly identify the worker group to read "all workers."

The amended notice applicable to TA-W-35,991 is hereby issued as follows:

All workers at Miller Brothers Industries, Inc., Corsicana, Texas who became totally or partially separated from employment on after March 23, 1998 through April 14, 2001 are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974.

Signed at Washington, DC this 29th day of April, 1999.

**Paxar Woven Label Paterson, NJ; Notice of Revised Determination on Reconsideration**

On March 8, 1999, the Department issued an Affirmative Determination Regarding Application on

Reconsideration applicable to workers and former workers of the subject firm. The notice was published in the **Federal Register** on March 16, 1999 (64 FR 13039).

The Department initially denied TAA to workers of Paxar Woven Label, Paterson, New Jersey, because the "contributed importantly" group eligibility requirement of Section 222(3) of the Trade Act of 1974, as amended, was not met.

On reconsideration, the Department obtained additional information from the company concerning imports of woven labels such as those manufactured at the subject facility. The company provided information which reflected an increased reliance on imports of woven labels in recent years which contributed to the decline in production and closure of the subject facility.

**Conclusion**

After careful review of the additional facts obtained on reconsideration, I conclude that increased imports of articles like or directly competitive with woven labels contributed importantly to the declines in sales or production and to the total or partial separation of workers of Paxar Woven Label, Paterson, New Jersey. In accordance with the provisions of the Act, I make the following certification:

All workers of Paxar Woven Label, Paterson, New Jersey who became totally or partially separated from employment on or after April 3, 1998 are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974;

Signed in Washington, D.C. this 27th day of April 1999.
