Assumption Agreement Associated With the Central/Coastal Plan

In addition to issuing the incidental take permits listed above, we signed an assumption agreement, dated February 2, 1998, for incidental take permit PRT-810191 issued July 7, 1996. This agreement formally recognized the reincorporation of the permittee, The Irvine Company, from a Michigan corporation to a Delaware corporation. In signing the agreement, The Irvine Company-Delaware assumed the obligations of The Irvine Company-Michigan for implementation of the Central/Coastal Plan. Reincorporation did not result in a new analysis of effects or change the requirements of the original permit, habitat conservation plan, or implementing agreement. Copies of the executed assumption agreement are available upon request.

Dated: April 29, 1999.

Elizabeth H. Stevenson,

Deputy Manager, California/Nevada Operations Office, Fish and Wildlife Service, Region 1, Sacramento, California.

Rescinding of the Emergency Closure of Public Lands: Lane County, Oregon

AGENCY: Bureau of Land Management, Interior.

ACTION: Rescind the 1993 Emergency Closure of public lands in Lane County, Oregon.

SUMMARY: Notice is hereby given that certain public lands in Lane County, Oregon are now rescinded from the temporary closure of water activities in Lake Creek. The closure was made under the authority of 43 CFR 8364.1.

The public lands affected by this closure are specifically identified as the Lake Creek Slide, a natural bedrock

feature in the bed of Lake Creek, within public lands located as follows:

Willamette Meridian, Oregon

T. 16 S., R. 7 W., Sec. 19: Metes and Bounds within the SE¹/₄SE¹/₄

Containing approximately 2 acres.

SUPPLEMENTARY INFORMATION: The original closure was published 58 FR 39222, July 22, 1993. The rationale to rescind this temporary closure follows: The "temporary closure" is now 6 years old, BLM realizes it needs to either make this a permanent closure or resend it. During the 6 years of temporary closure, visitors have continued to ignore 2 visibly posted Danger signs and slide down the rock slab, especially when BLM personnel are not around to enforce it. This behavior demonstrates that a permanent closure would be just as ineffective without full time BLM personnel on site to enforce it. BLM does not have the manpower or funding to provide for this presence. Most visitors are aware of the hazards. The Danger signs have been revised with new verbiage to increase visitor's awareness of the many hazards present on site. The revised signs read:

DANGER UNSUPERVISED AREA
HAZARDOUS TO SLIDE ON ROCKS, SWIM IN THIS AREA, OR DIVE INTO THE WATER
BEWARE OF SLIPPERY SURFACES, SUBMERGED ROCKS, AND SHIFTING TOPOGRAPHY
PARTICIPATING IN THESE OR SIMILAR ACTIVITIES CAN RESULT IN SERIOUS INJURY OR DEATH

DATES: This rescind is effective on May 12, 1999.

ADDRESSES: Copies of this action and maps showing the location of this area are available from the Eugene District Office, P.O. Box 10226 (2890 Chad Drive), Eugene, Oregon 97440.

FOR FURTHER INFORMATION CONTACT: Diane Chung, Coast Range Field Manager, Eugene District Office, at (541) 683-6600 or 1-888-442-3061.

Dated: May 4, 1999.

Dan Howells,

Acting Coast Range Field Manager.

Notice of Availability of the Programmatic Environmental Assessment for Selected Actions Taken for Mining Claim Use and Occupancy in Nevada, and the Preliminary Finding of No Significant Impact

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of Availability.

SUMMARY: In accordance with the National Environmental Policy Act of 1969 (NEPA), and Use and Occupancy Under the Mining Laws regulations (43 CFR 3715), the Bureau of Land Management has prepared an environmental assessment (EA) that evaluates the impacts of typical mining claim and/or millsite occupancies. This EA describes and analyzes the proposed action, consisting of seven typical occupancy scenarios, and the no action option. The actions analyzed in this EA involve operations that disturb 5 acres or less. This notice is intended to invite the public to comment on the analysis of impacts presented in the EA and the performance measures developed for the proposed action.

DATES: Written comments will be accepted on or before June 11, 1999. Any comments received by the close of the comment period will be evaluated and those letters that identify issues, where clarification or discussion is required, will be addressed in the final EA. Copies of the EA and the preliminary Finding of No Significant Impact (FONSI) will be provided to any person or agency commenting, or to other interested parties, upon written
