SUPPLEMENTARY INFORMATION:

**I. Section 8 Tenant-Based Program
Statutory Provisions Implemented in
this Rule**

This interim rule implements most of the Section 8 tenant-based program provisions contained in the Quality Housing and Work Responsibility Act of 1998 (Title V of the FY 1999 HUD Appropriations Act; Pub. L. 105-276,

approved October 21, 1998; 112 Stat. 2461) (the "1998 Act"). Section 502 of the 1998 Act states that a purpose of the legislation is "consolidating the voucher and certificate programs for rental assistance under Section 8 of the United States Housing Act of 1937 (the "USH Act" (42 U.S.C. 1437f)) into a single market-driven program that will assist in making tenant-based rental assistance under such section more successful at helping low-income families obtain affordable housing and will increase housing choice for low-income families." Of particular significance, this rule implements the merger of the Section 8 tenant-based certificate and voucher programs (section 545 of the 1998 Act, amending 42 U.S.C. 1437f(o)).

A. Description of the Housing Choice Voucher Program implemented by this rule

This rule implements provisions of the 1998 Act which will complete merger of the Section 8 certificate and voucher programs into a single new Section 8 voucher program (authorized under Section 8(o) of the USH Act, 42 U.S.C. 1437f(o)), entitled the Housing Choice Voucher Program. HUD has previously promulgated regulations (known as the "conforming rule") which combined and conformed rules for Section 8 tenant-based assistance to the extent permitted by prior law. The Housing Choice Voucher Program has features of the previously authorized certificate and voucher programs, plus new features. The following summarizes major features of the Housing Choice Voucher Program:

1. *Payment standards.* The subsidy amount is based on a payment standard set by the Public Housing Agency (PHA) anywhere between 90% to 110% of the HUD-published fair market rent (FMR). HUD may approve payment standards lower than 90% of FMR and payment standards higher than 110% of FMR. Prior HUD-approved area exception rents will continue to apply in the new voucher program (unless withdrawn or modified by HUD). HUD may require PHA payment standard changes because of incidence of high rent burdens (Section 8(o)(1)(B), (D) and (E) of the USH Act; 42 U.S.C. 1437f(o)(1)(B), (D) and (E); 24 CFR 982.503).

2. *Tenant payment.* A family renting a unit below the payment standard pays as gross rent the highest of: 30% of monthly adjusted income, 10% of monthly income (gross income), the welfare rent (in States where the welfare payment is adjusted in accordance with actual housing costs), or the PHA-established statutory minimum rent. There is no voucher "shopping

incentive" (for a family that rents a unit below the payment standard). A family renting a unit above the payment standard pays the highest of 30% of monthly adjusted income, 10% of monthly income, the welfare rent, or minimum rent, plus any rent above the payment standard (Section 8(o)(2) (A) and (B) of the USH Act, 42 U.S.C. 1437f(o)(2) (A) and (B); § 982.506(b)).

3. *Maximum initial rent burden.* A family must not pay more than 40% of adjusted income for rent when the family first receives Section 8 tenant-based assistance for occupancy of a particular unit. This new requirement only applies for a family that initially receives tenant-based assistance for occupancy of a unit after the effective date of this rule (called the "merger date"). However, the maximum initial rent burden requirement is not applicable if the family stays in the same unit where the family initially received certificate or voucher assistance for occupancy of the unit before the effective date of this rule. The maximum initial rent burden requirement is applicable each time a participant moves to a new unit. (Section 8(o)(3) of the USH Act, 42 U.S.C. 1437f(o)(3); § 982.508.)

4. *Income limits.* Eligibility is limited to a:

- a. Very low-income family;
- b. Low-income family continuously assisted under the public housing, Section 23, or Section 8 programs;
- c. Low-income family that is a nonpurchasing tenant in certain homeownership programs;
- d. Low-income or moderate-income family that is displaced as a result of the prepayment of the mortgage or voluntary termination of an insurance contract on eligible low-income housing as defined at 24 CFR 248.101; or
- e. Low-income family that meets PHA-specified criteria. (Section 8(o)(4) of the USH Act, 42 U.S.C. 1437f(o)(4); § 982.201(a)(1) of the regulations.)

5. *Applicant selection.* PHA applicant selection preferences must be based on local housing needs and priorities. In determining the preferences, the PHA must use "generally accepted data sources" including public comments on the PHA plan and the Consolidated Plan. PHAs are urged to consider adopting admission preferences for victims of domestic violence (Section 8(o)(6)(A) of the USH Act, 42 U.S.C. 1437f(o)(6)(A); § 982.208).

6. *Optional PHA screening of applicants.* Although the screening and selection of tenants will remain the function of the owner, the PHA may elect to screen applicants in accordance with any HUD requirements (Section

8(o)(6)(B) of the USH Act, 42 U.S.C. 1437f(o)(6)(B); § 982.307(a)(1)).

7. *Optional PHA disapproval of owners.* The PHA may refuse to enter into new Section 8 Housing Assistance Payment (HAP) contracts with owners who refuse (or have a history of refusing) to evict families for drug-related or violent criminal activity, or for activity that threatens the health, safety or right of peaceful enjoyment of the (1) premises by tenants, PHA employees or owner employees, or (2) the residences by neighbors (Section 8(o)(6)(C) of the USH Act, 42 U.S.C. 1437f(o)(6)(C); § 982.306(c)(5)).

8. *Initial lease term.* The PHA may approve an initial lease term of less than 1 year if a lease of less than 1 year is prevailing local practice and the PHA determines that the shorter term will improve housing opportunities for the family (Section 8(o)(7)(A) of the USH Act, 42 U.S.C. 1437f(o)(7)(A); § 982.309(a)).

9. *Lease form and content.* The lease form must be in the standard form used in the locality by the owner. The lease must contain terms that are consistent with State and local law, and that apply generally to unassisted tenants in the same property. The HAP contract and the lease must contain the HUD prescribed tenancy addendum (Section 8(o)(7)(B) and (F) of the USH Act, 42 U.S.C. 1437f(o)(7)(B) and (F); § 982.308).

10. *HQS.* Units must pass the federally established HQS or substitute local housing codes or codes adopted by PHAs. Substitute local housing codes or codes adopted by PHAs: (a) cannot severely restrict housing choice; and (b) must meet or exceed the HQS (unless HUD approves a lower standard that does not adversely affect the health or safety of families, and will significantly increase affordable housing access and expand housing opportunities) (Section 8(o)(8)(B) of the USH Act, 42 U.S.C. 1437f(o)(8)(B); § 982.401(a)(4)).

11. *Fifteen calendar day initial HQS inspection deadline.* PHAs with 1,250 or fewer tenant-based Section 8 units must conduct initial HQS inspections within 15 days after receipt of an inspection request from the family and owner. PHAs with more than 1,250 tenant-based Section 8 units must conduct initial HQS inspections within a "reasonable period" of the family's and owner's inspection request (Section 8(o)(8)(C) of the USH Act, 42 U.S.C. 1437f(o)(8)(C); § 982.305(b)(2)).

12. *PHA penalties for late payment of housing assistance to owners.* In the future, the HAP contract will provide for penalties against the PHA for late payment of the housing assistance payment to the owner. Any late

payment penalties may only be imposed in accordance with generally accepted practices in the local housing market governing penalties for late payment of rent by a tenant. For example, the PHA may be required to pay a late fee to an owner if the housing assistance payment is not paid by the tenth day of the month if it is local practice that an unassisted tenant is charged a late fee when the rent has not been paid in full by the tenth day of each month. A late payment fee may only be paid from the PHA's administrative fee income (including available amounts in the HA administrative fee reserve). The PHA is not obligated to pay any late fee if HUD determines that the late payment is due to factors beyond the control of the PHA (e.g., late receipt of the Section 8 funds from Treasury). The rule also provides that the PHA may add HAP contract provisions which define when the HAP payment by the PHA is deemed received by the owner (e.g., upon mailing by the PHA or actual receipt by the owner). (Section 8(o)(10)(D) and (E) of the USH Act, 42 U.S.C. 1437f(o)(10)(D) and (E); § 982.451(b)(5).)

13. *HQS inspections and rent reasonableness determinations for PHA-owned units.* The local government or another independent entity approved by HUD must conduct HQS inspections and rent reasonableness determinations for PHA-owned units leased by voucher holders. The PHA must pay any expenses associated with the performance of such inspections and rent determinations. The PHA and the independent agency may not charge the family any fee or charge for the services provided by the independent agency. The HA may use administrative fee income to compensate the independent agency for its services, but may not use other program receipts for this purpose (Section 8(o)(11) of the USH Act, 42 U.S.C. 1437f(o)(11); § 982.352(b)).

14. *Subsidy amount for manufactured homeowners leasing pads.* The subsidy amount for expenses associated with pad leasing by a mobile home owner are revised to mirror the subsidy calculation method for families leasing "regular" units (Section 8(o)(12) of the USH Act, 42 U.S.C. 1437f(o)(12); § 982.623).

15. *Income Targeting.* Not less than 75% of new admissions to the tenant-based voucher assistance program must have incomes at or below 30% of the area median income. Other admissions generally must be at or below 80% of the area median. If two or more PHAs have identical jurisdiction, those PHAs must jointly meet the targeting goals (section 513 of the 1998 Act; § 982.201(a)(2) of the regulations).

16. *Section 8 PHA definition.* For the administration of tenant-based assistance only, a "PHA" includes:

- a. A consortia of PHAs,
- b. A nonprofit entity administering certificates or vouchers under a contract with a PHA or HUD on enactment of the 1998 Act (on October 21, 1998); or
- c. For any area outside the jurisdiction of a PHA that is administering a tenant-based program, or where HUD determines that such PHA is not administering the program effectively, a private non-profit entity or public body that would otherwise lack jurisdiction to administer the program in such area (section 546 of the 1998 Act; definition of "public housing agency" at § 982.4 of the regulations).

17. *Section 8 "endless lease" and owner termination notices.* The "endless lease" provision and the 90-day owner termination notice are permanently repealed (section 549 of the 1998 Act; revisions to §§ 982.310 and 982.454).

18. *Technical and conforming amendments including elimination of Section 8 SRO approvals.* The requirements for a HUD determination of a significant demand for SROs, PHA and local government approval of SRO use, and a PHA and local government certification that the SRO meets local SRO health and safety standards have been eliminated (section 550 of the 1998 Act; revisions to § 982.602).

19. *Portability.* The 1998 Act grants the statutory right of nationwide participant portability to the jurisdiction of any PHA that is administering the Section 8 voucher program. This right was previously established by HUD's program regulation. PHAs may opt to require applicants who were nonresidents at the time of application to live in the PHA's jurisdiction during the first year. PHAs must not issue a participant a new voucher for a portable move if the family has moved out of the family's unit in violation of the lease (section 553 of the 1998 Act; § 982.353).

20. *Elimination of "take-one, take-all" provision.* The "take-one, take-all" provision is permanently eliminated. This provision required that an owner who entered into a Section 8 HAP contract on behalf of any tenant in a multifamily housing project could not refuse to lease otherwise affordable units in all multifamily projects of the owner if the reason for the refusal was that the family was a certificate or voucher holder (section 554 of the 1998 Act permanently repeals Section 8(t) of the USH Act, 42 U.S.C. 1437f(t); this rule therefore removes the regulatory provision (prior § 982.457) that recited the prior take-one-take-all statutory requirement).

21. *Intellectual property rights.* The 1998 Act prohibits use of program receipts to indemnify PHA contractors or subcontractors against costs associated with any judgment of infringement of intellectual property rights (section 510 of the 1998 Act; § 982.157).

B. Transition to the New Housing Choice Voucher Program

The majority of changes necessary to merge the certificate and voucher programs into a single tenant-based program were accomplished by issuing the Section 8 certificate and voucher conforming rule published in three phases: in 1994, 1995, and 1998. The remaining significant differences between the certificate and voucher programs are the subsidy amount, the maximum allowable initial contract rent levels and contract rent adjustments. The treatment of these program differences in the transition of pre-merger certificates and pre-merger vouchers to the final merger of the two programs, as enacted by Congress, is addressed below.

1. *Requirement to only enter HAP contracts under the Housing Choice Voucher Program in the future, and treatment of outstanding pre-merger certificates.* The new regulation becomes effective 90 days from publication of this rule. This date is called the "merger date" (§ 982.4).

This rule provides that on and after the merger date, a PHA may only enter HAP contracts under the Housing Choice Voucher Program implemented by this rule. If an applicant family or a participant wishing to move has been issued a pre-merger certificate, the PHA may opt to: (a) let the family continue to search for housing during the term of the pre-merger certificate; or (b) issue the family a voucher under the Housing Choice Voucher Program for a new term.

In any event, the PHA may only enter into HAP contracts under the Housing Choice Voucher Program on and after the merger date. Thus, an applicant or participant family who received a pre-merger certificate must be assisted under the Housing Choice Voucher Program if a tenant-based HAP contract has not been executed on their behalf prior to the merger date.

2. *Treatment of pre-merger voucher assistance under the Housing Choice Voucher Program.* On the merger date, participants in the pre-merger voucher program automatically become participants in the Housing Choice Voucher Program. Existing voucher contracts provide that the housing assistance payment must be calculated in accordance with HUD requirements.

However, the HAP contracts do not specify the amount of or method of computing the housing assistance payment.

In accordance with § 982.502 of the interim rule, the method of calculating subsidy under the Housing Choice Voucher Program is applied commencing at the effective date of the second regular reexamination of family income and composition on or after the merger date. Thus, a family receiving a shopping incentive under the pre-merger voucher program will continue to receive any shopping incentive for the pre-merger unit until the family's second regular reexamination on or after the merger date. However, execution of a Housing Choice Voucher Program HAP contract may be deferred until the next time a HAP contract would otherwise be executed in accordance with program requirements.

3. *Conversion of pre-merger over-FMR certificates to vouchers under the Housing Choice Voucher Program.* On the merger date, over-FMR tenancy participants in the pre-merger certificate program automatically become participants in the Housing Choice Voucher Program. Existing HAP contracts for an over-FMR tenancy provide that the housing assistance payment must be calculated in accordance with HUD requirements. However, the HAP contracts do not specify the amount of or method of computing the housing assistance payment. Consistent with § 982.502 of this interim rule, the new method of calculating subsidy under the Housing Choice Voucher Program is applied commencing at the effective date of the second regular reexamination of family income and composition on or after the merger date.

Conversion of an over-FMR tenancy certificate unit to the Housing Choice Voucher Program is not dependent upon execution of a Housing Choice Voucher Program HAP contract. Execution of a Housing Choice Voucher Program HAP contract may be deferred until the next time a HAP contract would otherwise be executed in accordance with program requirements.

4. *Conversion of pre-merger regular tenancy certificate assistance to voucher assistance under the Housing Choice Voucher Program.* A regular tenancy certificate participant will automatically become a participant in the Housing Choice Voucher Program when the PHA executes a new HAP contract on their behalf on or after the merger date—whether for the same unit or for a new unit. The PHA must terminate assistance under any outstanding regular certificate HAP contract (entered

before the merger date) at the effective date of the second regular reexamination of family income and composition on or after the merger date.

All existing certificate tenancies must be converted to the Housing Choice Voucher Program (§ 982.502(d)). However, until conversion there is no change in pre-merger certificate program requirements for calculation of housing assistance payments, including annual adjustments and special adjustments to the contract rent (§§ 982.507, 509, and 510 of the pre-merger regulations which are renumbered as §§ 982.518, 982.519, and 982.520 in the Housing Choice Voucher Program regulations).

II. Section 8 Tenant-Based Program Statutory Provisions Not Included in This Rule

This interim rule does not include every statutory change affecting the Section 8 tenant-based programs. A listing of the implementation method for tenant-based statutory provisions not included in this rule follows.

A. Part 5 and Part 984 Regulations Being Published Separately

Other provisions of the 1998 Act affecting the Section 8 certificate and voucher programs are being addressed in a separate proposed rule amending 24 CFRs parts 5 and 984. This rule was published in the **Federal Register** on April 30, 1999 (64 FR 23460) and includes the following provisions: the minimum rent requirements (section 507 of the 1998 Act); elimination of federal preferences (section 514 of the 1998 Act); income targeting requirements (section 513 of the 1998 Act); elimination of Section 8 selection preference for public housing residents based on prior federal preference status (section 514 of the 1998 Act); elimination of the admission preference for elderly, disabled and displaced persons before other single persons (section 506(2)(A) of the 1998 Act); computer matching income verification information requirements (Section 8(o)(5)(A) of the USH Act, 42 U.S.C. 1437f(o)(5)(A)); revisions to the definitions of annual income and adjusted income (section 508 of the 1998 Act); revision to the minimum FSS program size (section 509 of the 1998 Act); and tenant rent welfare sanctions (section 512 of the 1998 Act). Further, the regulatory conforming changes to reflect the statutory revisions to restrictions on assistance to noncitizens (section 592 of the 1998 Act) are being addressed in a separate final rule.

B. Section 8 Tenant-Based Homeownership Program

Sections 545 and 555 of the 1998 Act provide that PHAs may opt to implement a Section 8 tenant-based homeownership program. HUD is issuing a separate proposed rule to implement the Section 8 tenant-based homeownership program. The homeownership proposed rule was published in the **Federal Register** on April 30, 1999 (64 FR 23488).

C. Section 8 Tenant-Based Renewal Funds

Section 556 of the 1998 Act requires HUD to establish the renewal funding process for tenant-based assistance in a regulation. Beginning October 1, 1998, HUD must renew expiring tenant-based Annual Contributions Contracts (ACCs) by applying a localized inflation factor to an allocation baseline that includes, at a minimum, "amounts sufficient to ensure continued assistance for the actual number of families assisted on October 1, 1997, with appropriate upward adjustments for incremental assistance and additional families authorized subsequent to that date." HUD notice PIH 98-65 dated December 30, 1998 outlines the tenant-based renewal funding allocation policies for federal fiscal year 1999 assistance used to renew funding increments expiring between January 1, 1999 and December 31, 1999. Calendar year 2000 funding for the renewal of Section 8 certificate and voucher ACCs will be allocated pursuant to a negotiated final rule which will be published on or before October 21, 1999.

D. PHA Plan

The PHA Plan interim rule (section 511 of the 1998 Act) was published in the **Federal Register** on February 18, 1999 (64 FR 8170).

E. Project-Based Vouchers

Revisions to the rules for the project-based voucher/certificate program will be implemented in a future rulemaking (Section 8(o)(13) of the USH Act).

F. PHA Access to Criminal Conviction Records and Crime and Alcohol Abuse Provisions

PHA access to criminal conviction records for Section 8 applicants and tenants (section 575 of the 1998 Act) and other crime and alcohol abuse provisions will be implemented through future rulemaking or guidance.

G. Other Miscellaneous Statutory Provisions

Initial guidance on the 1998 Act provisions that are already effective was provided in notices published in the **Federal Register** on February 18, 1999 (64 FR 8192) and April 30, 1999 (64 FR 23344). HUD will continue to provide regulatory and other guidance, as appropriate, for all remaining provisions of the 1998 Act.

III. Public Participation in This Rulemaking

HUD is issuing this interim rule under the statutory authority provided by section 559 of the 1998 Act. Section 559 provides that the Secretary of HUD "shall issue such interim regulations as may be necessary to implement the amendments made by [the 1998 Act] which relate to Section 8(o) of the [USH Act]." Section 559 also requires that before the final rule is published, HUD will seek the recommendations on the implementation of the new Housing Choice Voucher Program from organizations representing: (1) State or local PHAs; (2) Owners and managers of tenant-based housing assistance under Section 8 of the USH Act; and (3) legal services organizations. Section 559 also requires HUD to convene not less than two public forums at which the persons or organizations making recommendations may express their views concerning the proposed disposition of their recommendations. The dates, times and locations of the first two public forums were announced in the **Federal Register** on April 27, 1999 (64 FR 22550).

In addition to the general solicitation of public comments on this interim rule, HUD specifically seeks through this rulemaking recommendations on implementation of the Housing Choice Voucher Program from the four groups mentioned above: (1) State or local PHAs; (2) Owners and managers of tenant-based housing assistance under section 8 of the USH Act; (3) families receiving tenant-based assistance under section 8 of the USH Act; and (4) legal services organizations.

IV. Justification for Interim Rulemaking

HUD generally publishes a rule for public comment before issuing a rule for effect, in accordance with its own regulations on rulemaking in 24 CFR part 10. Part 10, however, provides that prior notice and public comment may

be omitted if "a statute expressly so authorizes" (24 CFR 10.1). This interim rule implements those provisions of the 1998 Act which complete the merger of the Section 8 certificate and voucher programs into a single new Section 8 voucher program (authorized under Section 8(o) of the USH Act, 42 U.S.C. 1437f(o)), entitled the Housing Choice Voucher Program. As noted above, section 559 of the 1998 Act provides that the Secretary of HUD "shall issue such interim regulations as may be necessary to implement the amendments made by [the 1998 Act] which relate to Section 8(o) of the [USH Act]." Accordingly, HUD is issuing this interim rule for effect without prior notice and comment.

HUD recognizes the value and necessity of public comment in the development of its regulations. HUD has therefore issued these regulations on an interim basis and has provided the public with a 60-day comment period. Additionally, HUD has provided for a 90-day delayed effective date for this interim rule (in contrast to the customary 30-day delayed effective date for most HUD rules), in order to afford PHAs additional time to prepare for the implementation of the interim rule. Further, HUD has scheduled three public forums to discuss implementation of the Housing Choice Voucher Program. HUD welcomes comment on the regulatory amendments made by this interim rule. Public comments will be addressed in the final rule.

Environmental Impact

A Finding of No Significant Impact with respect to the environment was made in accordance with HUD regulations in 24 CFR part 50 that implement section 102(2)(C) of the National Environmental Policy Act of 1969 (42 U.S.C. 4223). The Finding is available for public inspection between 7:30 a.m. and 5:30 p.m. weekdays in the Office of the Rules Docket Clerk, Office of General Counsel, Room 10276, Department of Housing and Urban Development, 451 Seventh Street, SW, Washington, DC.

Unfunded Mandates Reform Act

Title II of the Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531-1538) establishes requirements for Federal agencies to assess the effects of their regulatory actions on State, local, and tribal governments and the private sector. This interim rule does not impose any Federal mandates on any State, local, or tribal governments or the private sector within the meaning of Unfunded Mandates Reform Act of 1995.

Executive Order 12866

The Office of Management and Budget (OMB) reviewed this interim rule under Executive Order 12866, *Regulatory Planning and Review*. OMB determined that this interim rule is a "significant regulatory action," as defined in section 3(f) of the Order (although not economically significant, as provided in section 3(f)(1) of the Order). Any changes made to the interim rule subsequent to its submission to OMB are identified in the docket file, which is available for public inspection in the office of the Department's Rules Docket Clerk, Room 10276, 451 Seventh Street, SW, Washington, DC 20410-0500.

Impact on Small Entities

The Secretary, in accordance with the Regulatory Flexibility Act (5 U.S.C. 605(b)) (the RFA), has reviewed and approved this interim rule and in so doing certifies that this rule would not have a significant economic impact on a substantial number of small entities. The reasons for HUD's determination are as follows:

(1) *A Substantial Number of Small Entities Will Not be Affected.* The interim rule is exclusively concerned with public housing agencies that administer tenant-based housing assistance under Section 8 of the United States Housing Act of 1937. Specifically, the interim rule would establish requirements governing tenant-based assistance for an eligible family. Under the definition of "Small governmental jurisdiction" in section 601(5) of the RFA, the provisions of the RFA are applicable only to those few public housing agencies that are part of a political jurisdiction with a population of under 50,000 persons. The number of entities potentially affected by this rule is therefore not substantial.

(2) *No Significant Economic Impact.* The interim regulatory amendments would not change the amount of funding available under the Section 8 voucher program. Accordingly, the economic impact of this rule will not be significant, and it will not affect a substantial number of small entities.

Notwithstanding HUD's determination that this rule will not have a significant economic effect on a substantial number of small entities, HUD specifically invites comments regarding any less burdensome alternatives to this rule that will meet HUD's objectives as described in this preamble.

Executive Order 12612, Federalism

The General Counsel, as the Designated Official for HUD under section 6(a) of Executive Order 12612, *Federalism*, has determined that this rule will not have federalism implications concerning the division of local, State, and Federal responsibilities. No programmatic or policy change under this rule will affect the relationship between the Federal government and State and local governments.

Catalog of Domestic Assistance Numbers

The Catalog of Domestic Assistance numbers for the programs affected by this interim rule are 14.146, 14.147, 14.850, 14.851, 14.852, 14.855, 14.857, and 15.141.

d. Amend paragraph (b)(1) by removing the reference to "certificate or"; and

e. Revise paragraph (b)(2).

The revisions read as follows:

§ 982.1 Programs: Purpose and structure.

(a) General description. (1) In the HUD Housing Choice Voucher Program (Voucher Program) and the HUD certificate program, HUD pays rental

subsidies so eligible families can afford decent, safe and sanitary housing. Both programs are generally administered by State or local governmental entities called public housing agencies (PHAs). HUD provides housing assistance funds to the PHA. HUD also provides funds for PHA administration of the programs. PHAs are no longer allowed to enter into contracts for assistance in the certificate program.

(2) Families select and rent units that meet program housing quality standards. If the PHA approves a family's unit and tenancy, the PHA contracts with the owner to make rent subsidy payments on behalf of the family. A PHA may not approve a tenancy unless the rents is reasonable.

* * * * *

(4)(i) In the certificate program, the subsidy for most families is the difference between the rent and 30 percent of adjusted monthly income.

(ii) In the voucher program, the subsidy is based on a local "payment standard" that reflects the cost to lease a unit in the local housing market. If the rent is less than the payment standard, the family generally pays 30 percent of adjusted monthly income for rent. If the rent is more than the payment standard, the family pays a larger share of the rent.

* * * * *

(b) * * *

(2) To receive tenant-based assistance, the family selects a suitable unit. After approving the tenancy, the PHA enters into a contract to make rental subsidy payments to the owner to subsidize occupancy by the family. The PHA contract with the owner only covers a single unit and a specific assisted family. If the family moves out of the leased unit, the contract with the owner terminates. The family may move to another unit with continued assistance so long as the family is complying with program requirements.

§ 982.2 [Amended]

27. In § 982.2(a), remove the word "rental" in both places it appears in the second sentence.

28. Amend § 982.4 as follows:

(c) *Obligation to affirmatively further fair housing.* The PHA shall be considered in compliance with the obligation to affirmatively further fair

(d) *State law.* Nothing in part 982 is intended to pre-empt operation of State laws that prohibit discrimination against a Section 8 voucher-holder because of status as a Section 8 voucher-holder. However, such State laws shall not change or affect any requirement of this part, or any other HUD requirements for administration or operation of the program.

31. Amend § 982.54 as follows:

be a family in any of the following categories:

- (i) A "very low income" family;
 - (ii) A low-income family that is "continuously assisted" under the 1937 Housing Act;
 - (iii) A low-income family that meets additional eligibility criteria specified in the PHA administrative plan. Such additional PHA criteria must be consistent with the PHA plan and with the consolidated plans for local governments in the PHA jurisdiction;
 - (iv) A low-income family that qualifies for voucher assistance as a non-purchasing family residing in a HOPE 1 (HOPE for public housing homeownership) or HOPE 2 (HOPE for homeownership of multifamily units) project. (Section 8(o)(4)(D) of the 1937 Act (42 U.S.C. 1437f(o)(4)(D));
 - (v) A low-income or moderate-income family that is displaced as a result of the prepayment of the mortgage or voluntary termination of an insurance contract on eligible low-income housing as defined in § 248.101 of this title;
 - (vi) A low-income family that qualifies for voucher assistance as a non-purchasing family residing in a project subject to a resident homeownership program under § 248.173 of this title.
- (2) *Income-targeting.* (i) Not less than 75 percent of the families admitted to a PHA's tenant-based voucher program during the PHA fiscal year shall be targeted to families whose annual income does not exceed the following amounts as determined by HUD:
- (A) 30 percent of the area median income, with adjustments for smaller and larger families; or
 - (B) A higher or lower percent of the area median income, if HUD determines that a higher or lower percent is necessary because of unusually high or low family incomes.
- (ii) Conversion of assistance for a participant in the PHA certificate program to assistance in the PHA voucher program does not count as an "admission," and is not subject to targeting under paragraph (b)(2)(i) of this section.
- (iii) Admission of families as described in paragraphs (b)(1)(ii) or (b)(1)(v) of this section is not subject to targeting under paragraph (b)(2)(i) of this section.
- (iv) If two or more PHAs that administer section 8 tenant-based assistance have an identical jurisdiction, such PHAs shall be treated as a single PHA for purposes of targeting under paragraph (b)(2)(i) of this section. In such a case, the PHAs shall cooperate to assure that aggregate admissions by such PHAs comply with the targeting

requirement. If such PHAs do not have a single fiscal year, HUD will determine which PHA's fiscal year is used for this purpose.

(3) The annual income (gross income) of an applicant family is used both for determination of income-eligibility under paragraph (b)(1) of this section, and for targeting under paragraph (b)(2)(i) of this section.

(4) The applicable income limit for issuance of a voucher when a family is selected for the program is the highest income limit (for the family unit size) for areas in the PHA jurisdiction. The applicable income limit for admission to the program is the income limit for the area where the family is initially assisted in the program. The family may only use the voucher to rent a unit in an area where the family is income eligible at admission to the program.

(f) * * *

(2) For description of the grounds for denying assistance because of action or inaction by the applicant, see § 982.552(b) and (c) (requirement and authority to deny admission) and § 982.553(a) (crime by family members).

* * * * *

(d) *Admission policy.*

The PHA must admit applicants for participation in accordance with HUD regulations and other requirements, and with PHA policies stated in the PHA administrative plan and the PHA plan. The PHA admission policy must state the system of admission preferences that the PHA uses to select applicants from the waiting list, including any residency preference or other local preference.

(b) * * *

(4) Qualification for any local preference;

* * * * *

(f) *Number of waiting lists.* A PHA must use a single waiting list for admission to its Section 8 tenant-based assistance program. However, the PHA may use a separate single waiting list for such admissions for a county or municipality.

* * * * *

(b) * * *

(2) If the waiting list is open, the PHA must accept applications from families for whom the list is open unless there is good cause for not accepting the application (such as denial of assistance because of action or inaction by members of the family) for the grounds stated in §§ 982.552 and 982.553.

* * * * *

46. Revise § 982.207 to read as follows:

§ 982.207 Waiting list: Local preferences in admission to program.

(a) *Establishment of PHA local preferences.* (1) The PHA may establish a system of local preferences for selection of families admitted to the program. PHA selection preferences must be described in the PHA administrative plan. The system of local

preferences must be consistent with the PHA plan (see part 903 of this title), and with the consolidated plans for local governments in the PHA jurisdiction.

(2) The PHA system of local preferences must be based on local housing needs and priorities, as determined by the PHA. In determining such needs and priorities, the PHA shall use generally accepted data sources. The PHA shall consider public comment on the proposed public housing agency plan (as received pursuant to § 903.17 of this chapter) and on the consolidated plan for the relevant jurisdiction (as received pursuant to part 91 of this title).

(3) The PHA may limit the number of applicants that may qualify for any local preference.

(b) *Residency preferences.* (1) If approved by HUD, the PHA may adopt a residency preference that establishes a county or municipality as a residency preference area. A PHA may not adopt a residency preference for an area smaller than a county or municipality.

(2) A residency preference must apply to families with a member who works or who has been hired to work anywhere in a residency preference area. In applying the residency preference, such families must be treated like families that reside in the residency preference area.

(3) A residency preference may not be based on how long the applicant has resided in or worked in the PHA jurisdiction or residency preference area.

(c) *Selection among families with preference.* The PHA system of preferences may use either of the following to select among applicants on the waiting list with the same preference status:

- (1) Date and time of application; or
(2) A drawing or other random choice technique.

(d) *Preference for person with disabilities.* The PHA may give a preference for admission of families that include a person with disabilities. However, the PHA may not give a preference for admission of persons with a specific disability.

(e) *Verification of selection method.* The method for selecting applicants from a preference category must leave a clear audit trail that can be used to verify that each applicant has been selected in accordance with the method specified in the administrative plan.

§ 982.302 Issuance of voucher; Requesting PHA approval of assisted tenancy.

(a) When a family is selected, or when a participant family wants to move to another unit, the PHA issues a voucher to the family. The family may search for a unit.

(b) If the family finds a unit, and the owner is willing to lease the unit under the program, the family may request PHA approval of the tenancy. The PHA has the discretion whether to permit the family to submit more than one request at a time.

(c) The family must submit to the PHA a request for approval of the tenancy and a copy of the lease, including the HUD-prescribed tenancy addendum. The request must be submitted during the term of the voucher.

(d) The PHA specifies the procedure for requesting approval of the tenancy. The family must submit the request for approval of the tenancy in the form and manner required by the PHA.

(B) In the case of a PHA with more than 1250 budgeted units in its tenant-based program, within a reasonable time after the family submits a request for approval of the tenancy. To the extent practicable, such inspection and determination must be completed within fifteen days after the family and the owner submit a request for approval of the tenancy.

(ii) The fifteen day clock (under paragraph (b)(2)(i)(A) or paragraph (b)(2)(i)(B) of this section) is suspended during any period when the unit is not available for inspection.

(2) The owner is responsible for screening and selection of the family to occupy the owner's unit. At or before PHA approval of the tenancy, the PHA must inform the owner that screening and selection for tenancy is the responsibility of the owner.

(3) The owner is responsible for screening of families on the basis of their tenancy histories. An owner may consider a family's background with respect to such factors as:

(i) Payment of rent and utility bills;

(2) The terms and conditions of the lease are consistent with State and local law.

(c) *State and local law.* The PHA may review the lease to determine if the lease complies with State and local law. The PHA may decline to approve the tenancy if the PHA determines that the lease does not comply with State or local law.

All provisions of the HUD-required tenancy addendum must be added word-for-word to the owner's standard form lease that is used by the owner for unassisted tenants. The tenant shall have the right to enforce the tenancy addendum against the owner, and the terms of the tenancy addendum shall prevail over any other provisions of the lease.

54. Revise § 982.309 to read as follows:

§ 982.309 Term of assisted tenancy.

(a) *Initial term of lease.* (1) Except as provided in paragraph (a)(2) of this section, the initial lease term must be for at least one year.

(2) The PHA may approve a shorter initial lease term if the PHA determines that:

(i) Such shorter term would improve housing opportunities for the tenant; and

(ii) Such shorter term is the prevailing local market practice.

(3) During the initial term of the lease, the owner may not raise the rent to owner.

(4) The PHA may execute the HAP contract even if there is less than one

year remaining from the beginning of the initial lease term to the end of the last expiring funding increment under the consolidated ACC.

(b) *Term of HAP contract.* (1) The term of the HAP contract begins on the first day of the lease term and ends on the last day of the lease term.

(i) The lease is terminated by the owner or the tenant;

(ii) The PHA terminates the HAP contract; or

(iii) The PHA terminates assistance for the family.

(c) *Family responsibility.* (1) If the family terminates the lease on notice to the owner, the family must give the PHA a copy of the notice of termination at the same time. Failure to do this is a breach of family obligations under the program.

(2) The family must notify the PHA and the owner before the family moves out of the unit. Failure to do this is a breach of family obligations under the program.

55. Amend § 982.310 as follows:

* * * * *

(b) *PHA-owned housing.* (1) A unit that is owned by the PHA that administers the assistance under the consolidated ACC (including a unit owned by an entity substantially controlled by the PHA) may only be assisted under the tenant-based program if all the following conditions are satisfied:

(i) The PHA must inform the family, both orally and in writing, that the

family has the right to select any eligible unit available for lease, and a PHA-owned unit is freely selected by the family, without PHA pressure or steering.

(ii) The unit is not ineligible housing.

(iii) During assisted occupancy, the family may not benefit from any form of housing subsidy that is prohibited under paragraph (c) of this section.

(iv)(A) The PHA must obtain the services of an independent entity to perform the following PHA functions as required under the program rule:

(B) The independent agency used to perform these functions must be approved by HUD. The independent agency may be the unit of general local government for the PHA jurisdiction (unless the PHA is itself the unit of general local government or an agency of such government), or may be another HUD-approved independent agency.

(C) The PHA may compensate the independent agency from PHA ongoing administrative fee income for the services performed by the independent agency. The PHA may not use other program receipts to compensate the independent agency for such services. The PHA and the independent agency may not charge the family any fee or charge for the services provided by the independent agency.

(c) *Portability procedures.* (1) The receiving PHA does not redetermine eligibility for a portable family that was already receiving assistance in the initial PHA Section 8 tenant-based program (either the PHA voucher program or certificate program). However, for a portable family that was not already receiving assistance in the PHA tenant-based program, the initial PHA must determine whether the family is eligible for admission to the receiving PHA voucher program.

* * * * *

(6) The receiving PHA must issue a voucher to the family. The term of the receiving PHA voucher may not expire before the expiration date of any initial PHA voucher. (B) Variations because of local climatic or geographic conditions.

(iii) Acceptability criteria variations may only be approved by HUD pursuant to paragraph (a)(4)(ii) of this section if such variations either:

(A) Meet or exceed the acceptability criteria; or

§ 982.501 Overview.

(a) This subpart describes program requirements concerning the housing assistance payment and rent to owner. These requirements apply to the Section 8 tenant-based program.

(b) There are two types of tenancies in the Section 8 tenant-based program:

(1) A tenancy under the voucher program.

(2) A tenancy under the certificate program (commenced before merger of the certificate and voucher programs on the merger date).

(c) Unless specifically stated, requirements of this part are the same for all tenancies. Sections 982.503, 982.504, and 982.505 only apply to a voucher tenancy. Sections 982.518, 982.519, 982.520, and 982.521 only apply to a tenancy under the certificate program.

§§ 982.502, 982.503, 982.507, 982.509, 982.510, 982.511, and 982.513
[Redesignated as §§ 982.506, 982.507, 982.518, 982.519, 982.520, 982.509 and 982.510, respectively]

73. Redesignate §§ 982.502, 982.503, 982.507, 982.509, 982.510, 982.511, and 982.513 as §§ 982.506, 982.507, 982.518, 982.519, 982.520, 982.509, and 982.510, respectively.

74. Add new §§ 982.502, 982.503, 982.504, 982.505, and 982.508 to read as follows:

§ 982.502 Conversion to voucher program.

(a) *New HAP contracts.* On and after the merger date, the PHA may only enter into a HAP contract for a tenancy under the voucher program, and may not enter into a new HAP contract for a tenancy under the certificate program.

(b) *Over-FMR tenancy.* If the PHA had entered into any HAP contract for an over-FMR tenancy under the certificate program prior to the merger date, on and after the merger date such tenancy shall be considered and treated as a tenancy under the voucher program, and shall be subject to the voucher program requirements under this part, including calculation of the voucher housing assistance payment in accordance with § 982.505. However, § 982.505(b)(2) shall not be applicable for calculation of the housing assistance payment prior to the effective date of the second regular reexamination of family income and composition on or after the merger date.

(c) *Voucher tenancy.* If the PHA had entered into any HAP contract for a voucher tenancy prior to the merger date, on and after the merger date such tenancy shall continue to be considered and treated as a tenancy under the voucher program, and shall be subject to the voucher program requirements under this part, including calculation of the voucher housing assistance payment in accordance with § 982.505. However, § 982.505(b)(2) shall not be applicable for calculation of the housing assistance payment prior to the effective date of the second regular reexamination of family income and composition on or after the merger date.

(d) *Regular certificate tenancy.* The PHA must terminate program assistance under any outstanding HAP contract for a regular tenancy under the certificate program (entered prior to the merger

date) at the effective date of the second regular reexamination of family income and composition on or after the merger date. Upon such termination of assistance, the HAP contract for such tenancy terminates automatically. The PHA must give at least 120 days written notice of such termination to the family and the owner, and the PHA must offer the family the opportunity for continued tenant-based assistance under the voucher program. The PHA may deny the family the opportunity for continued assistance in accordance with §§ 982.552 and 982.553.

§ 982.503 Voucher tenancy: Payment standard amount and schedule.

(a) *Payment standard schedule.* (1) HUD publishes the fair market rents for each market area in the United States (see part 888 of this title). The PHA must adopt a payment standard schedule that establishes voucher payment standard amounts for each FMR area in the PHA jurisdiction. For each FMR area, the PHA must establish payment standard amounts for each "unit size." Unit size is measured by number of bedrooms (zero-bedroom, one-bedroom, and so on).

(2) The payment standard amounts on the PHA schedule are used to calculate the monthly housing assistance payment for a family (§ 982.505).

(3) The PHA voucher payment standard schedule shall establish a single payment standard for each unit size in an FMR area and, if applicable, in an exception payment standard area within an FMR area.

(b) *Establishing payment standard amounts.* (1)(i) The PHA may establish the payment standard amount for a unit size at any level between 90 percent and 110 percent of the published FMR for that unit size. HUD approval is not required to establish a payment standard amount in that range ("basic range").

(ii) The PHA may establish a separate payment standard within the basic range for a designated part of an FMR area.

(2) The PHA must request HUD approval to establish a payment standard amount that is higher or lower than the basic range. HUD has sole discretion to grant or deny approval of a higher or lower payment standard amount. Paragraph (c) of this section describes the requirements for approval of a higher payment standard amount ("exception payment standard amount").

(c) *HUD approval of exception payment standard amount.* (1) *HUD discretion.* At HUD's sole discretion, HUD may approve a payment standard

amount that is higher than the basic range for a designated part of the fair market rent area (called an "exception area"). HUD may approve an exception payment standard amount in accordance with this paragraph (c) of this section for all units, or for all units of a given unit size, leased by program families in the exception area. Any PHA with jurisdiction in the exception area may use the HUD-approved exception payment standard amount.

(2) *Above 110 percent of FMR to 120 percent of FMR.* The HUD Field Office may approve an exception payment standard amount from above 110 percent of the published FMR to 120 percent of the published FMR if such office determines that such approval is justified by either the median rent method or the 40th percentile rent as described below (and that such approval is also supported by an appropriate program justification in accordance with paragraph (c)(4) of this section).

(i) *Median rent method.* In the median rent method, HUD determines the exception payment standard amount by multiplying the FMR times a fraction of which the numerator is the median gross rent of the exception area and the denominator is the median gross rent of the entire FMR area. In this method, HUD uses median gross rent data from the most recent decennial United States census, and the exception area may be any geographic entity within the FMR area (or any combination of such entities) for which median gross rent data is provided in decennial census products.

(ii) *40th percentile rent method.* In this method, HUD determines that the area exception rent equals the 40th percentile of rents to lease standard quality rental housing in the exception area. HUD determines the 40th percentile rent in accordance with the methodology described in § 888.113 of this title for determining fair market rents. A PHA must present statistically representative rental housing survey data to justify HUD approval.

(3) *Above 120 percent of FMR.* (i) At the request of a PHA, the Assistant Secretary for Public and Indian Housing may approve an exception payment standard amount for the total area of a county, PHA jurisdiction, or place if the Assistant Secretary determines that:

(A) Such approval is necessary to prevent financial hardship for families;

(B) Such approval is supported by statistically representative rental housing survey data to justify HUD approval in accordance with the methodology described in § 888.113 of this title; and

(C) Such approval is also supported by an appropriate program justification in accordance with paragraph (c)(4) of this section.

(ii) For purposes of paragraph (c)(3) of this section, the term "place" is an incorporated place or a U.S. Census designated place. An incorporated place is established by State law and includes cities, boroughs, towns, and villages. A U.S. Census designated place is the statistical counterpart of an incorporated place.

(4) *Program justification.* (i) HUD will only approve an exception payment standard amount (pursuant to paragraph (c)(2) or paragraph (c)(3) of this section) if HUD determines that approval of such higher amount is needed either:

(A) To help families find housing outside areas of high poverty, or

(B) Because voucher holders have trouble finding housing for lease under the program within the term of the voucher.

(ii) HUD will only approve an exception payment standard amount (pursuant to paragraph (c)(3) of this section) after six months from the date of HUD approval of an exception payment standard pursuant to paragraph (c)(2) of this section for the area.

(5) *Population.* The total population of HUD-approved exception areas in an FMR area may not include more than 50 percent of the population of the FMR area.

(6) *Withdrawal or modification.* At any time, HUD may withdraw or modify approval to use an exception payment standard amount.

(7) *Transition: Area exception rents approved prior to merger date.* Subject to paragraph (c)(6) of this section, the PHA may establish an exception payment standard amount up to the amount of a HUD-approved area exception rent in effect at the merger date.

(d) *HUD review of PHA payment standard schedule.* (1) HUD will monitor rent burdens of families assisted in a PHA's voucher program. If 40 percent or more of such families occupying units of any particular unit size pay more than 30 percent of adjusted income as the family's share, HUD will review the PHA payment standard amount for that unit size, and may require the PHA to establish an increased payment standard amount within the basic range.

(2) Upon such HUD review, HUD may require the PHA to modify the payment standard amounts on the PHA payment standard schedule.

§ 982.504 Voucher tenancy: Payment standard for family in restructured subsidized multifamily project.

(a) This section applies to tenant-based assistance under the voucher program if all the following conditions are applicable:

(1) Such tenant-based voucher assistance is provided to a family pursuant to § 401.421 of this title when HUD has approved a restructuring plan, and the participating administrative entity has approved the use of tenant-based assistance to provide continued assistance for such families. Such tenant-based voucher assistance is provided for a family previously receiving project-based assistance in an eligible project (as defined in § 401.2 of this title) at the time when the project-based assistance terminates.

(2) The family chooses to remain in the restructured project with tenant-based assistance under the program and leases a unit that does not exceed the family unit size;

(3) The lease for such assisted tenancy commences during the first year after the project-based assistance terminates.

(b) The initial payment standard for the family under such initial lease is the sum of the reasonable rent to owner for the unit plus the utility allowance for tenant-paid utilities. (Determination of such initial payment standard for the family is not subject to paragraphs (c)(1) and (c)(2) of § 982.505. Except for determination of the initial payment standard as specifically provided in paragraph (b) of this section, the payment standard and housing assistance payment for the family during the HAP contract term shall be determined in accordance with § 982.505.)

§ 982.505 Voucher tenancy: How to calculate housing assistance payment.

(a) *Use of payment standard.* A payment standard is used to calculate the monthly housing assistance payment for a family. The "payment standard" is the maximum monthly subsidy payment.

(b) *Amount of monthly housing assistance payment.* The PHA shall pay a monthly housing assistance payment on behalf of the family that is equal to the lower of:

(1) The payment standard minus the total tenant payment; or

(2) The gross rent minus the total tenant payment.

(c) *Payment standard for family.* (1) The payment standard is the lower of:

(i) The payment standard amount for the family unit size; or

(ii) The payment standard amount for the size of the dwelling unit rented by the family.

(2) If the dwelling unit is located in an exception area, the PHA must use the appropriate payment standard amount for the exception area.

(3) During the HAP contract term, the payment standard for a family is the higher of:

(i) The initial payment standard (at the beginning of the HAP contract term), as determined in accordance with paragraphs (c)(1) and (c)(2) of this section, minus any amount by which the initial rent to owner exceeds the current rent to owner; or

(ii) The payment standard, as determined in accordance with paragraphs (c)(1) and (c)(2) of this section, as determined at the most recent regular reexamination of family income and composition effective after the beginning of the HAP contract term.

(4) At the next regular reexamination following a change in family size or composition that causes a change in family unit size during the HAP contract term, and for any examination thereafter during the term:

(i) Paragraph (c)(3)(i) of this section does not apply; and

(ii) The new family unit size must be used to determine the payment standard.

§ 982.508 Rent to owner: maximum rent at initial occupancy.

At the time a family initially receives tenant-based assistance for occupancy of a dwelling unit, the family share may not exceed 40 percent of the family's monthly adjusted income.

(f) *Accuracy of family income data.* The PHA must establish procedures that

are appropriate and necessary to assure that income data provided by applicant or participant families is complete and accurate.

76. Add § 982.521 to read as follows:

§ 982.521 Regular tenancy: Rent to owner in subsidized project.

For a certificate tenancy in an insured or non-insured Section 236 project, a Section 515 project of the Rural Development Administration, a Section 202 project or a Section 221(d)(3) below market interest rate project, the rent to owner is the basic rental charge (as defined in 12 U.S.C. 1715z-1(f)(1), minus any utility allowance for tenant-paid utilities). The rent to owner may not be adjusted by applying the published Section 8 annual adjustment factor, and a special adjustment may not be approved.

§ 982.551 [Amended]

77. In § 982.551, amend paragraph (b)(2) by removing the second sentence, and in paragraph (b)(3) remove the phrase "and 24 CFR part 813".

(2) The PHA must terminate program assistance for a family evicted from housing assisted under the program for serious violation of the lease.

(3) The PHA must deny admission to the program for an applicant, or terminate program assistance for a participant, if any member of the family fails to sign and submit consent forms for obtaining information in accordance with part 5, subparts B and F of this title.

(4) The family must submit required evidence of citizenship or eligible immigration status. See part 5 of this title for a statement of circumstances in which the PHA must deny admission or terminate program assistance because a family member does not establish citizenship or eligible immigration status, and the applicable informal hearing procedures.

(c) *Authority to deny admission or terminate assistance.* (1) *Grounds for denial or termination of assistance.* The PHA may at any time deny program assistance for an applicant, or terminate program assistance for a participant, for any of the following grounds:

(i) If the family violates any family obligations under the program (see § 982.551). See § 982.553 concerning denial or termination of assistance for crime by family members.

(ii) If any member of the family has ever been evicted from public housing.

(iii) If a PHA has ever terminated assistance under the program for any member of the family.

(vii) If the family breaches an agreement with the PHA to pay amounts owed to a PHA, or amounts paid to an owner by a PHA. (The PHA, at its discretion, may offer a family the opportunity to enter an agreement to pay amounts owed to a PHA or amounts paid to an owner by a PHA. The PHA may prescribe the terms of the agreement.)

(viii) If a family participating in the FSS program fails to comply, without good cause, with the family's FSS contract of participation.

(ix) If the family has engaged in or threatened abusive or violent behavior toward PHA personnel.

(x) If the family fails to fulfill its obligations under the Section 8 welfare-to-work voucher program.

(2) *PHA discretion to consider circumstances.* In deciding whether to deny admission or terminate assistance because of action or failure to act by members of the family, the PHA has discretion to consider all of the circumstances in each case, including the seriousness of the case, the extent of participation or culpability of individual family members, and the effects of denial or termination of assistance on other family members who were not involved in the action or failure.

(3) *Exclusion of family members.* In determining whether to deny admission or terminate assistance, the PHA may impose, as a condition of continued

assistance for other family members, a requirement that family members who participated in or were culpable for the action or failure will not reside in the unit. The PHA may permit the other members of a participant family to continue receiving assistance.
