SOCIAL SECURITY ADMINISTRATION

Agency Information Collection Activities: Emergency Consideration Request

In compliance with Pub. L. 104-13, the Paperwork Reduction Act of 1995, SSA is providing notice of its information collections that require submission to the Office of Management and Budget (OMB). SSA is requesting emergency consideration from OMB by May 21, 1999 of the information collection listed below.

Annual Registration Statement Identifying Separated Participants with Deferred Benefits, Schedule SSA—0960-NEW (1999 edition). Schedule SSA is a form filed annually by pension plan administrators as part of a series of pension plan documents required by section 6057 of the IRS Code. SSA maintains the information until a claim for Social Security benefits has been approved. At that time, SSA notifies the beneficiary of his/her potential

eligibility for payments from private pension plans.

On September 3, 1997, the Pension and Welfare Benefits Administration (PWBA), the Internal Revenue Service (IRS) and the Pension Benefit Guaranty Corporation (PBGC) collectively published a notice requesting comments on the burden hour estimates and the methodologies used to estimate burden for preparing and filing Form 5500 and its schedules, including Schedule SSA. The comments generally indicated that the estimates were too low. In an effort to respond to those comments, an evaluation of the burden estimation methodologies has been undertaken for the purpose of developing a revised, uniform methodology. The evaluation has not yet been completed. Therefore, for the purposes of this notice, SSA is providing burden estimates using the current methodology. A decision regarding the burden methodology to be used is expected to be made by the end of May 1999. SSA will modify these burden estimates based on a revised methodology.

Number of Respondents: 107,174.

Frequency of Response: Annually.

Average Burden Per Response: 17 minutes.

Estimated Annual Burden: 69,842 hours.

A computerized processing system (the ERISA filing and Acceptance System, or EFAST) is being developed to simplify and expedite the processing of the Form 5500 series, including Schedule SSA, by relying on computer scannable forms and electronic filing technologies. A **Federal Register** notice will be published announcing the opportunity to comment on the electronic filing options and computer scannable forms designed as part of the EFAST project. The final computer scannable version of the forms, which will be required to be used for 1999 plan years, will be published in the **Federal Register** following the evaluation of public comments.

PWBA, IRS and PBGC have obtained OMB clearance for the 1999 Form 5500 and their respective schedules. It is essential that Schedule SSA be on the same timeline as the Form 5500 and other schedules so that there is a coordinated effort in making changes in burden methodology and in the format and processing of the forms. Therefore, we are requesting emergency consideration for Schedule SSA.

You can obtain a copy of the collection instrument and/or OMB clearance package by calling the SSA Reports Clearance Officer on (410) 965-4145, or by writing to him. (SSA Address)
