

retirement payment is eligible to open an account called an ETASM at any Federally-insured financial institution that offers the ETASM. 63 FR 51490. The ETASM is being developed to maximize opportunities for individuals receiving Federal payments electronically to have access to an account at a reasonable cost and with the same consumer protections available to other account holders at the same financial institution.

On November 23, 1998, Treasury published a Notice of Proposed ETASM Features in the **Federal Register** for a 45-day comment period. 63 FR 64820. The Notice proposed specific ETASM attributes. Treasury also sought comment on whether financial institutions should be permitted to offer three additional features, at the option of the financial institution and at additional cost, if any, to the recipient. Treasury received, and has reviewed, a total of 198 comment letters from financial institutions, consumer organizations, Federal agencies, and others.

Treasury is conducting this briefing to present an overview of the ETASM FAA. Those persons unable to attend the briefing in person will be able to obtain a copy of the FAA and any other handouts on the EFT website at <http://www.fms.treas.gov/eft/eta>. The FAA and any other handouts will be posted on the website shortly following the meeting.

Treasury will subsequently publish a final notice in the **Federal Register** that describes the prescribed features of the ETASM and includes the ETASM FAA.
