

How Will Applications Be Reviewed and Rated?

OSHA personnel will review and evaluate each application. Following the review process, OSHA staff may conduct an on-site evaluation of highly rated applicants before making a recommendation. The final selection will be made by the Assistant Secretary for Occupational Safety and Health.

The following factors will be used in the review of applications.

1. *Institutional Experience in Training Government Managers.* Reviewers will look for evidence that the university offers seminars in public administration or other nontraditional teaching methods (e.g., self-study) to motivate and train adults, e.g., government employees or executives, law enforcement personnel.

2. *Qualifications of Training Personnel.* Reviewers will look for evidence that the personnel proposed have training and experience in curriculum design and adult learning theory.

3. *Program Design.* Reviewers will look at the proposed program and budget charts for evidence that the project can be completed in the time allotted, that there will be adequate communication among the course designers, OSHA, and consultation projects throughout the project, and that the budget is reasonable and in compliance with instructions.

How Much Money Is Available for the Course?

\$250,000 has been budgeted for this effort.

How Long Will the Agreement Run?

The agreement period is for 24 months, from August 1, 1999, through July 31, 2001. As with all cooperative agreements, either party may terminate the agreement on 30 days notice.

How Do I Get an Agreement Application Package?

Agreement application packages may be requested from the Office of Cooperative Programs at (202) 693-2213.

When and Where Must I Send the Application?

Send three copies of each application to: Attention: E. Tyna Coles, U.S. Department of Labor—OSHA, Directorate of Federal-State Operations, Office of Cooperative Programs, 200 Constitution Avenue, NW, Room N3700, Washington, DC 20210.

All applications must be postmarked by Monday, June 30, 1999. Applicants are encouraged to include samples of

relevant previous work, but one copy of any sample will be sufficient.

How Will I Be Told If My Application Was Selected?

You will be notified in writing that you were or were not selected. Notice of selection will not constitute approval of an application as submitted. OSHA will negotiate with representatives of the selected applicant to enter into a 21(b) cooperative agreement which will cover the responsibilities of both parties, including program components, budget and administrative systems. If negotiations do not result in an acceptable submission, the Assistant Secretary for Occupational Safety and Health reserves the right to terminate the negotiation process and decline to fund the proposal.

Signed at Washington, DC, this 10th day of May, 1999.

Charles N. Jeffress,

Assistant Secretary of Labor.
