Centers for Disease Control and Prevention

The National Center for Chronic Disease Prevention and Health Promotion (NCCDPHP); Meeting

The National Center for Chronic Disease Prevention and Health Promotion (NCCDPHP) of the Centers for Disease Control and Prevention (CDC) announces the following pre-application satellite teleconference.

Name: Pre-Application Live Satellite Teleconference for Racial and Ethnic Approaches to Community Health 2010 (REACH 2010) Demonstration Projects.

Time and Date: 11 a.m.-2 p.m., May 28, 1999.

Place: Satellite coordinates for this broadcast are Telestar 5—K17 band and Telestar 5—C7 band. Callers are invited to submit questions by telephone and via facsimile, telephone 1-800-793-8598, fax 1-800-553-6323.

In the event you are unable to receive the signal on the program day, you may join by audio bridge. Federal participants should dial 404-639-4100, and non-Federal participants should dial 1-800-713-1971. The listen code for uplink is 654321. For technical assistance during the broadcast, please call 404-876-1045.

Status: Participants will include public and private nonprofit organizations, governments, and their agencies; that is, universities, colleges, research institutions, hospitals, other public and private nonprofit organizations, State and local governments or their bona fide agents, federally recognized Indian Tribal governments as well as non-federally recognized tribes and other organizations that qualify under the Indian Civil Rights Act, State Charter Tribes, Urban Indian Health Programs, Indian Health Boards, and Inter-Tribal Councils.

Purpose: Participants will have the opportunity to receive guidance for the Centers for Disease Control and Prevention (CDC), National Center for Chronic Disease Prevention and Health Promotion's funding announcement for REACH Demonstration Projects. The funding announcement is in response to the Health and Human Services Initiative to Eliminate Racial and Ethnic Disparities in Health, which is aimed at eliminating disparities in health outcomes for racial and ethnic communities in six health focus areas by the year 2010.

Contact Person for More Information: Letitia Presley-Cantrell, NCCDPHP, CDC, 4770 Buford Highway, NE, M/S K-30, Atlanta, Georgia 30341, telephone 770/488-5426, E-mail: ccdinfo@cdc.gov

The Director, Management Analysis and Services Office, has been delegated the authority to sign **Federal Register** Notices pertaining to announcements of meetings and other committee management activities, for both the Centers for Disease Control and Prevention and the Agency for Toxic Substances and Disease Registry.

Dated: May 19, 1999.

Carolyn J. Russell,

Director, Management Analysis and Services Office, Centers for Disease Control and Prevention (CDC).

Advisory Council for the Elimination of Tuberculosis: Meeting

In accordance with section 10(a)(2) of the Federal Advisory Committee Act (Pub. L. 92-463), the Centers for Disease Control and Prevention (CDC) announces the following Council meeting.

Name: Advisory Council for the Elimination of Tuberculosis (ACET).

Times and Dates: 8:30 a.m.-5 p.m., June 9, 1999; 8:30 a.m.-12 p.m., June 10, 1999.

Place: Corporate Square Office Park, Corporate Square Boulevard, Building 11, Room 1413, Atlanta, Georgia 30329.

Status: Open to the public, limited only by the space available. The meeting room accommodates approximately 100 people.

Purpose: This Council advises and makes recommendations to the Secretary of Health and Human Services, the Assistant Secretary for Health, and the Director, CDC, regarding the elimination of tuberculosis. Specifically, the Council makes recommendations regarding policies, strategies, objectives, and priorities; addresses the development and application of new technologies; and reviews the extent to which progress has been made toward eliminating tuberculosis.

Matters To Be Discussed: Agenda items include an update on international TB related activities, TB vaccine development, and other TB related issues.

Agenda items are subject to change as priorities dictate.

Contact Person for More Information: Paulette Ford, National Center for HIV, STD, and TB Prevention, 1600 Clifton Road, NE, M/S E-07, Atlanta, Georgia 30333, telephone 404/639-8008.

The Director, Management Analysis and Services Office, has been delegated the authority to sign **Federal Register** Notices pertaining to announcements of meetings and other committee management activities, for both the Centers for Disease Control and Prevention and the Agency for Toxic Substances and Disease Registry.

Dated: May 19, 1999.

Carolyn J. Russell,

Director, Management Analysis and Services Office, Centers for Disease Control and Prevention (CDC).

Food And Drug Administration

[Docket No. 99F-1421]

Asahi Denka Kogyo K.K.; Filing of Food Additive Petition

AGENCY: Food and Drug Administration, HHS.

ACTION: Notice.

SUMMARY: The Food and Drug Administration (FDA) is announcing that Asahi Denka Kogyo K.K. has filed a petition proposing that the food additive regulations be amended to provide for the safe use of tetradecanoic acid, lithium salt as a stabilizer in polypropylene and certain olefin copolymers intended for use in contact with food.

FOR FURTHER INFORMATION CONTACT: Vir D. Anand, Center for Food Safety and Applied Nutrition (HFS-215), Food and Drug Administration, 200 C St. SW., Washington, DC 20204, 202-418-3081.

SUPPLEMENTARY INFORMATION: Under the Federal Food, Drug, and Cosmetic Act (sec. 409(b)(5) (21 U.S.C. 348(b)(5))), notice is given that a food additive petition (FAP 9B4665) has been filed by Asahi Denka Kogyo K. K., 5-2-13, Shirahata, Urawa City, Saitama 336-0022, Japan. The petition proposes to amend the food additive regulations to provide for the safe use of tetradecanoic acid, lithium salt as a stabilizer in polypropylene and certain olefin copolymers intended for use in contact with food.

The agency has determined under 21 CFR 25.32(i) that this action is of the type that does not individually or cumulatively have a significant effect on the human environment. Therefore, neither an environmental assessment nor an environmental impact statement is required.

Dated: May 5, 1999.

Alan M. Rulis,

Director, Office of Premarket Approval, Center for Food Safety and Applied Nutrition.
