

proposals lacking required components are subject to being declared ineligible and not further considered for funding.

We have submitted information collection requirements for the NAWCA Evaluation Grants Program to the Office of Management and Budget (OMB) for review and approval under the Paperwork Reduction Act of 1995, Public Law 104-13. The OMB control number is 1018-0100. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information request unless it displays a currently valid OMB control number. The information solicited: is necessary to gain a benefit in the form of a grant, as determined by the North American Wetlands Conservation Council and Migratory Bird Conservation Commission; is necessary to determine the eligibility and relative value of evaluation projects; and results in an approximate paperwork burden of 8 hours for each pre-proposal and 40 hours for each proposal; and does not carry a premise of confidentiality. The information collected in this program will not be part of a system of records covered by the Privacy Act (5 U.S.C. 552(a)).
