Notice Pursuant to the National Cooperative Research and Production Act of 1993—HDTV Broadcasting Technology Consortium

Notice is hereby given that, on March 11, 1999, pursuant to section 6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. 4301 *et seq.* ("the Act"), HDTV Broadcasting Technology Consortium has filed written notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing changes in its membership status. The notifications were filed for the purpose of extending the Act's provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances. Specifically, New Jersey Public Broadcasting Authority, Trenton, NJ; and Wegener Communications, Duluth, GA have been added as parties to this venture. Also, Philips Laboratories, Briarcliff Manor, NY; MCI Telecommunications, Richardson, TX; and Sun Microsystems Federal, Inc., Mountain View, CA have been dropped as parties to this venture.

No other changes have been made in either the membership or planned activity of the group research project. Membership in this group research project remains open, and HDTV Broadcasting Technology Consortium intends to file additional written notification disclosing all changes in membership.

On September 11, 1995, HDTV Broadcasting Technology Consortium filed its original notification pursuant to Section 6(a) of the Act. The Department of Justice published a notice in the **Federal Register** pursuant to Section 6(b) of the Act on December 13, 1995 (60 FR 64079).
