NUCLEAR REGULATORY COMMISSION**10 CFR Part 2**

RIN 3150-AG28

Informal Hearing Procedures for Adjudications in Materials and Operator Licensing Proceedings: Minor Amendments

AGENCY: Nuclear Regulatory Commission.

ACTION: Final rule.

SUMMARY: The Nuclear Regulatory Commission (NRC) is amending its regulations governing the filing and service of Requests for Hearings and Petitions for Leave to Intervene in "informal" materials and operator licensing proceedings conducted under its Rules of Practice. This action is necessary to correct a cross-referencing error in the provisions concerning the method of filing documents and to change the method of service of pleadings on the NRC Staff.

EFFECTIVE DATE: This final rule is effective June 1, 1999.

FOR FURTHER INFORMATION CONTACT: Charles E. Mullins, Office of the General Counsel, U.S. Nuclear Regulatory Commission, Washington, DC 20555-0001; telephone (301) 415-1606; e-mail: CEM@nrc.gov.

SUPPLEMENTARY INFORMATION:**Background**

These amendments are designed to correct two minor errors in an earlier rulemaking and to make two minor changes regarding service of pleadings on the NRC Staff as a party in these proceedings. First, this rulemaking corrects a typographical error in the printing of a final rule published July 29, 1996 (61 FR 32978), amending Subpart L. That final rule included a reference in 10 CFR 2.1203(e) to 10 CFR 2.1205(R). The cross-reference to paragraph (R) should have appeared as a cross-reference to paragraph (k), as set out in the original proposed rule. The Commission is correcting that cross-reference.

Second, the 1996 rulemaking inserted a new paragraph (c) in 10 CFR 2.1205 and renumbered the existing paragraph (c) as paragraph (d) and all subsequent paragraphs accordingly. However, the rulemaking failed to correct a cross-reference to the original paragraph (c), now paragraph (d), in the original paragraph (f), now paragraph (g). The Commission is correcting that cross-reference.

Third, this rulemaking makes two minor changes in the service of specific pleadings in these proceedings by designating that service of Requests for Hearings and Petitions for Leave to Intervene on the NRC Staff shall be made by serving those documents on the General Counsel, rather than on the Executive Director for Operations as currently required. Eventually, the Executive Director for Operations must refer any pleading to the General Counsel for a response to the Presiding Officer. The Commission has found that pleadings are sometimes lost or delayed by not having them filed directly with

the General Counsel. Accordingly, the Commission has concluded that direct service on the General Counsel will eliminate any delay and increase the efficiency of its adjudicatory processes.

Because these amendments are administrative in nature and deal solely with agency practice and procedure, the notice and comment provisions of the Administrative Procedure Act do not apply under 5 U.S.C. 553(b)(A). In addition, good cause exists to dispense with the usual 30-day delay because the amendments are of a corrective and administrative nature dealing with a matter of agency conduct, a change in the manner in which proceedings shall be served on the NRC Staff. Accordingly, these amendments are effective upon publication in the **Federal Register**.

Environmental Impact: Categorical Exclusion

The NRC has determined that this final rule is the type of action described in categorical exclusion 10 CFR 51.22(c)(1). Therefore, neither an environmental impact statement nor an environmental assessment has been prepared for this final regulation.

Paperwork Reduction Act Statement

This final rule does not contain a new or amended information collection requirement subject to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 et seq.).

Regulatory Analysis

A regulatory analysis has not been prepared for this final rule because this rule is considered a minor non-substantive amendment; it has no economic impact on NRC licensees or the public.

Backfit Analysis

The NRC has determined that the backfit rule, 10 CFR 50.109, does not apply to this final rule and, therefore, that a backfit analysis is not required for this final rule because these amendments do not impose any provisions that would impose backfits as defined in 10 CFR Chapter I.
