Notice Pursuant to the National Cooperative Research and Production Act of 1993—Lightwave Microsystems Corp.

Notice is hereby given that, on January 19, 1999, pursuant to section 6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. 4301 *et seq.* ("the Act"), Lightwave Microsystems Corporation has filed written notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing (1) the identities of the parties and (2) the nature and objectives of the venture. The notifications were filed for the purpose of invoking the Act's provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances. Pursuant to section 6(b) of the Act, the identities of the parties are Lightwave Microsystems Corporation, Santa Clara, CA; and BFGoodrich, Brecksville, OH. The nature and objectives of the venture are to work together to develop technology involving the development of new classes of polymers and novel fabrication approaches, which will be used in designing and manufacturing low-cost devices for routing, amplifying and switching signals in the telecommunications network.

The resulting devices should lead to significantly improved products at a lower cost for signal routing, switching and amplification in telecommunications networks.
