Dailey Body Company; Grant of Application for Temporary Exemption From Federal Motor Vehicle Safety Standard No. 121

We have decided to grant the application by Dailey Body Company of Oakland, California, to exempt five trailers from Motor Vehicle Safety Standard No. 121 *Air Brake Systems*. The statutory basis for our action is that we have found that "compliance would cause substantial economic hardship to a manufacturer that has tried in good faith to comply with the standard." 49 U.S.C. 30113.

We published notice of receipt of the application on March 22, 1999, and afforded an opportunity to comment (64 FR 13843). However, no comments were received.

The discussion below is based upon the information that Dailey provided in its application.
