AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: In the **Federal Register** of May 19, 1999 (64 FR 27266) (FRL-6078-1), EPA announced that the State of Arkansas had submitted an application for EPA approval to administer and enforce training and certification requirements, training program accreditation requirements, and work practice standards for lead-based paint activities in target housing and child-occupied facilities under section 402 of the Toxic Substances Control Act (TSCA). The notice announced a 45-day public comment period and an opportunity to request a public hearing on this application. The notice incorrectly listed the public hearing date. This notice corrects the date of the public hearing. In FR Doc. 99-12590, on page 27266, in the third column, first full paragraph under the "DATES" caption, the two references to the public hearing date of "May 21, 1999" should read "June 11, 1999". This notice also extends the date for submission of requests for a public hearing to June 4, 1999. If a public hearing is not requested, this meeting time and place will be canceled. Therefore, individuals are advised to verify the status of the public hearing by contacting Jeffrey Robinson (name, telephone number, and address are provided in the "FOR FURTHER INFORMATION CONTACT" section of this notice) after June 4, 1999, and before the June 11, 1999 public hearing date.
