Administration for Children and Families

Proposed Information Collection Activity; Comment Request

Proposed Project

Title: Adoption and Foster Care Analysis and Reporting System for Title IV-B and Title IV-E.
OMB No.: 0980-0267.
Description: Section 479 of title IV-E of the Social Security Act directs States

to establish and implement an adoption and foster care reporting system. The purpose of the data collected is to inform State/Federal policy decisions, program management, and to respond to Congressional and Departmental inquiries. Specifically, the data is used for short/long-term budget projections, trend analysis, and to target areas for improved technical assistance. The data will provide information about foster care placements, adoptive parents, length of time in care, delays in termination of parental rights and placement for adoption. The AFCARS data set is being modified in order to collect data on multi-racial individuals in accordance with OMB Directive #15, "Race and Ethnic Standards for Federal Statistics and Administrative Reporting."

Respondents: State, Local or Tribal Govt.

ANNUAL BURDEN ESTIMATES

Instrument	Number of respondents	Number of responses per respondent	Average burden hours per response	Total burden hours
Adoption and Foster Care Analysis and Reporting Systems	51	2	3,251	331,602
Estimated Total Annual Burden Hours:	331,602

In Compliance with the requirements of Section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995, the Administration for Children and Families is soliciting public comment on the specific aspects of the information collection described above. Copies of the proposed collection of information can be obtained and comments may be forwarded by writing to the Administration for Children and Families, Office of Information Services, 370 L'Enfant Promenade, S.W., Washington, D.C. 20447, Attn: ACF Reports Clearance Officer. All requests should be identified by the title of the information collection.

The Department specifically requests comments on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information; (c) the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Consideration will be given to comments and suggestions submitted within 60 days of this publication.

Dated: June 1, 1999.
Bob Sargis,
Acting Reports Clearance Officer.
