Reallotment of FY 1998 Funds for Low Income Home Energy Assistance Program (LIHEAP)

AGENCY: Office of Community Services, ACF, DHHS.

ACTION: Notice of determination concerning funds available for reallocation.

SUMMARY: Notice is hereby given that a preliminary determination has been made that fiscal year (FY) 1998 Low Income Home Energy Assistance Program (LIHEAP) funds are available for reallocation to States, territories, and Tribes and tribal organizations receiving FY 1999 direct LIHEAP funding. No subgrantees or other entities may apply for the funds. Section 2607(b)(1) of the Low Income Home Energy Assistance Act (the Act), Title XXVI of the Omnibus Budget Reconciliation Act of 1981 (42 U.S.C. 8621 et seq.), as amended, requires that if the Secretary of the Department of Health and Human Services determines that, as of September 1 of any fiscal, an amount in excess of certain levels allotted to a grantees for any fiscal year will not be used by the grantees during the fiscal year, the Secretary must notify the grantees and publish a notice in the Federal Register that such funds may be reallocated to LIHEAP grantees during the following fiscal year. If reallocated, the LIHEAP block grant allocation formula will be used to distribute the funds. (No funds may be reallocated to entities that are not direct LIHEAP grantees during FY 1999.) It has been determined that $2,381,450.52 may be available for reallocation during FY 1999. This determination is based on revised reports from the State of North Carolina and the Delaware Tribe of Oklahoma, which were submitted to the Office of Community Services as required by 45 CFR 96.82. The statute allows grantees who have funds unobligated at the end of the fiscal year for which they are awarded to request that they be allowed to carry over up to 10 percent of their allotments to the next fiscal year.
