Center for Disease Control and Prevention

Meeting; National Institute for Occupational Safety and Health

The National Institute for Occupational Safety and Health (NIOSH) of the Center for Disease Control and Prevention (CDC) announces the following meeting.

Name: Developing a NIOSH Strategic Plan for Surveillance of Occupational Diseases, Injuries, and Hazards.

Time and Date: 9 a.m.-4:30 p.m., July 29, 1999.

Place: Hubert H. Humphrey Building, 200 Independence Avenue, SW, Washington, DC 20201.

Status: Open to the public, limited only by the space available. The meeting room accommodates approximately 70 people. Seating will be limited to approximately 50 people.

Purpose: The purpose of this meeting is to request public advice in identifying gaps in the NIOSH's surveillance activities of occupational diseases, injuries, and hazards.

NIOSH is developing a strategic plan to guide its surveillance activities. NIOSH is one of several Federal agencies mandated to contribute to the development of an effective national surveillance system for occupational diseases, injuries, and hazards. Two separate, but interrelated activities are underway. One is the development of a NIOSH strategic plan for occupational disease and injury surveillance of the nation's work force. The second one is the development of a plan specific for the ongoing surveillance of hazards in the workplace (prior similar efforts include the National Occupational Hazard Survey [1972-74], the National Occupational Exposure Survey [1981-83] and the National Occupational Hazard Survey of Mining [1984-89]). To obtain input from occupational health and safety practitioners, researchers, and interested organizations, we plan to have a meeting where NIOSH will ask the attendees for their views on what specific surveillance objectives should be incorporated into the NIOSH Surveillance Strategic Plan.

Notice: In the interest of security, the Department has instituted stringent procedures for entrance to the Hubert H. Humphrey Building by non-government employees. Thus, persons without a government identification card should plan to arrive at the building each day either between 8 and 8:30 a.m. or 12:30 and 1 p.m. so they can be escorted to the meeting. Entrance to the meeting at other times during the day cannot be assured.

Contact Persons for Additional Information: Lawrence J. Fine, M.D., Dr.P.H., NIOSH, CDC, M/S R12, 4676 Columbia Parkway, Cincinnati, Ohio 45226, telephone 513/841-4428, and DeLon Hull, Ph.D., NIOSH, CDC, M/S R12, 4676 Columbia Parkway, Cincinnati, Ohio 45226, telephone 513/841-4366.

The Director, Management Analysis and Services office has been delegated the authority to sign **Federal Register** notices pertaining to announcements of meetings and other committee management activities, for both the Centers for Disease Control and Prevention and the Agency for Toxic Substances and Disease Registry.

Dated: June 2, 1999.

Carolyn J. Russell,

Director, Management Analysis and Services Office, Centers for Disease Control and Prevention (CDC).
