

The Deputy Administrator is extremely concerned by Mr. Khalily's failure to properly identify Mr. Gutierrez and verify whether he was a representative of R.J. Meyer. This is particularly troubling given that Mr. Khalily knew that hydriotic acid was a listed chemical; that he had not seen Mr. Gutierrez's name on previous invoices; and that R.J. Meyer had not previously purchased hydriotic acid from Respondent. All of these things combined should have caused Mr. Khalily to recognize the need to ascertain whether Mr. Gutierrez was in fact a representative of R.J. Meyer.

Nonetheless, the Deputy Administrator agrees with Judge Randall that denial of Respondent's applications is not warranted in this case. Although Respondent was clearly not as careful as he should have been in identifying Mr. Gutierrez, Respondent did follow its normal business practices regarding these shipments and there has been no other evidence of any wrongdoing by Respondents. However, chemicals are designated as listed chemicals because they have the potential to be used to manufacture dangerous substances. Consequently those who deal with these chemicals have to be ever vigilant to ensure that they are not diverted for illegal purposes. Therefore, the Deputy Administrator agrees with Judge Randall that Respondent's prior conduct warrants that Respondent should be more closely monitored than other registrants.

The Deputy Administrator agrees with Judge Randall's recommendation that Respondent's applications be granted with the following conditions:

(1) The Respondent be required to maintain a log of all listed chemical transactions he engages in for a period of three years from the date of issuance of these DEA Certificates of Registration. At a minimum, the log shall indicate the date that the shipment occurred, the name and address of all the parties involved in the transaction, the destination of the shipments, and the name and quantity of the listed chemical shipped. Upon request by the Special Agent in Charge of the local DEA Field Division, or his designee, the Respondent shall submit or otherwise make available his log for inspection.

(2) For three years from the date of issuance of the DEA Certificates of Registration, the Respondent shall consent to periodic inspections at its registered locations by DEA personnel based on a Notice of Inspection rather than an Administrative Inspection Warrant.

Accordingly, the Deputy Administrator of the Drug Enforcement

Administration, pursuant to the authority vested in him by 21 U.S.C. 823 and 824 and 28 CFR 0.100(b) and 0.104, hereby orders that the applications for registration as an importer and a distributor of various listed chemicals, submitted by Alfred Khalily, Inc., d.b.a. Alfa Chemical, be, and they hereby are, granted subject to the above described conditions. This order is effective upon issuance of the DEA Certificates of Registration, but not later than July 12, 1999.

Dated: June 1, 1999.

Donnie R. Marshall,

Deputy Administrator.
