

that the respondents have improperly reported sales of PVA during the POR. We will review this issue, if it is raised in a timely manner, in a future administrative review.

DuPont

Comment 1: Application of the Special Rule for Value Added

DuPont withdrew its request that the Department apply the special rule for value added in this case and therefore exclude its sales of further manufactured PVA from the analysis. However, DuPont maintains that although it has withdrawn its request in this particular review, applying the special rule is an important issue in the calculation of DuPont's dumping margin and should be considered without prejudice in future reviews.

The petitioner did not comment on this issue.

DOC Position: Because DuPont withdrew its request that the Department apply the special rule in this case shortly after the preliminary results, the Department has not considered further application of the special rule for these final results. However, if DuPont should request in a timely manner that the Department apply the special rule in a subsequent proceeding, the Department will again give DuPont's request full consideration.

Final Results of the Review

As a result of our review, we have determined that the following weighted-average margins exist for the period May 1, 1997, through April 30, 1998:

Manufacturer/producer/exporter	Margin (percent)
Chang Chun Petrochemical Co. Ltd.	0.00
E.I. DuPont de Nemours & Co.	0.00

Cash Deposit Requirements

The following deposit requirements shall be effective upon publication of this notice of final results of administrative review for all shipments of the subject merchandise from Taiwan that are entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided for by section 751(a)(1) of the Act: (1) the cash deposit rates for Chang Chun and DuPont will be the rates indicated above (*i.e.*, the cash deposit rate will be zero); (2) if the exporter is not a firm covered in this review or the LTFV investigation, but the manufacturer is, the cash deposit rate will be that established for the most recent period for the manufacturer of the merchandise; and (3) if neither the exporter nor the

manufacturer is a firm covered in this review or the LTFV investigation, the cash deposit rate will be 19.21 percent, the "All Other" rate made effective by the LTFV investigation. These requirements shall remain in effect until publication of the final results of the next administrative review.

Assessment Rates

The Department shall determine, and the Customs Service shall assess, antidumping duties on all appropriate entries. For duty assessment purposes, we have calculated importer-specific assessment rates for the subject merchandise. Pursuant to 19 CFR 351.212(b)(1), we have calculated importer-specific ad valorem duty assessment rates based on the ratio of the total amount of the dumping margins calculated for the examined sales to the total entered value of those same sales. In order to estimate the entered value, we have subtracted international movement expenses from the gross sales value. In accordance with 19 CFR 351.106(c)(2), we will instruct the Customs Service to liquidate without regard to antidumping duties all entries of subject merchandise during the POR for which the importer-specific assessment rate is zero or *de minimis* (*i.e.*, less than 0.50 percent).

Notification to Importers and Interested Parties

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during the review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This notice also serves as a final reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a). Timely written notification or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of the APO is a sanctionable violation.

This determination is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Acting Assistant Secretary for Import Administration.
