History

BILLING CODE 4910-13-M

FEDERAL TRADE COMMISSION

16 CFR Part 4

Miscellaneous Rules: Disclosure Requests

AGENCY: Federal Trade Commission.

ACTION: Final rule.

SUMMARY: The Commission is amending a rule of practice and procedure that governs disclosure requests. These amendments add requests for voluntary testimony to the scope of the rule's coverage. The amendments also clarify the existing scope of various paragraphs of the rule.

EFFECTIVE DATE: June 16, 1999.

FOR FURTHER INFORMATION CONTACT:

Gary M. Greenfield, (202) 326-2753, Office of the General Counsel, Federal Trade Commission, 600 Pennsylvania Ave., NW, Washington, DC 20580.

SUPPLEMENTARY INFORMATION: The Commission is amending 16 CFR 4.11(e), which governs compulsory process requiring disclosure by Commission employees of material and information relating to their official duties. This provision also governs compulsory process to former

Commission employees and to current and former special government employees that requires the disclosure of nonpublic information acquired during their Commission employment.

The amendments expand the scope of § 4.11(e) to include requests for voluntary testimony. As with requests by compulsory process for documents or testimony, the amended Rule requires anyone seeking voluntary testimony from Commission employees (and, where applicable, special government employees or former employees) to furnish a statement to the General Counsel setting forth information that will enable the General Counsel to make an informed decision regarding the request.

Amendments to paragraphs (c) and (d) of § 4.11 clarify that paragraph (e) of that section governs compulsory process from government agencies for Commission documents or testimony. Paragraph (e)(3), as amended, provides that the General Counsel may discretionarily waive the statement required by the Rule with respect to any individual request by a government agency.

The requirements of § 4.11(e) do not apply to invitations to testify before Congress or to testify before other government bodies on the possible effects of proposed legislation or regulations.

The Commission does not seek public comment on these amendments because they relate solely to agency practice and procedure. Thus, the amendments are exempt from the notice-and-comment requirements of the Administrative Procedure Act. See 5 U.S.C. 553(b)(A). In addition, the Commission certifies that these amendments will not have a significant impact on small business entities. Accordingly, no final regulatory flexibility analysis is required by the Regulatory Flexibility Act. See 5 U.S.C. 605(b).
