

are being made in accordance with Section 209 of the Federal Land Policy and Management Act of 1976. The successful bidder must include with the final payment a non-refundable \$50.00 filing fee for conveyance of the mineral estate.

Federal law requires that bidders must be U.S. citizens, 18 years of age or older, a state or state instrumentality authorized to hold property, or a corporation authorized to own real estate in the state in which the land is located.

If the land identified in this notice is not sold on the date of first sale offering, the parcel will be available on an over-the-counter competitive sale basis at no less than the indicated sale price and subject to the above terms and conditions. Sealed bids will be accepted on the unsold parcel at the Lakeview Resource Area Office during regular business hours (7:45 a.m. to 4:30 p.m. Monday through Friday) at the address shown above. All sealed bids received will be opened the first Wednesday of each subsequent month until the land is either sold or withdrawn from sale. Prospective buyers should inquire about parcel availability after September 30, 1999.

Detailed information concerning the sale, including the reservations, sale procedures, terms and conditions, planning and environmental documentation, is available at the Lakeview Resource Area Office, 1300 South G Street, HC 10, Box 337, Lakeview, Oregon 97630.

For a period of 45 days from the date of publication of this notice in the **Federal Register**, interested parties may submit comments to the Lakeview Resource Area Manager, Bureau of Land Management, at the above address. Objections will be reviewed by the Lakeview District Manager who may sustain, vacate or modify this realty action. In the absence of any objections, this realty action will become the final determination of the Department of the Interior.

Notice of Intent To Prepare a Resource Management Plan/Environmental Impact Statement for the Lakeview Resource Area

AGENCY: Bureau of Land Management (BLM), Interior.

ACTION: Notice of Intent to prepare a Resource Management Plan/Environmental Impact Statement for the Lakeview Resource Area and initiation of public scoping.

SUMMARY: In accordance with section 202 of the Federal Land Policy and Management Act (FLPMA), a Resource Management Plan/Environmental Impact Statement (RMP/EIS) will be prepared for approximately 3.2 million acres of land managed by the Lakeview Resource Area, Lakeview District and located in Lake and Harney Counties in southeastern Oregon. In addition, a small, contiguous portion of Modoc and Washoe Counties located in northeastern California and northwestern Nevada falling within the administrative boundary of the Surprise Field Office in Cedarville, California, but managed by the Lakeview Resource Area will also be included. Decisions generated during this planning process will supersede planning guidance presented in the High Desert, Lost River, and Warner Lakes Management Framework Plans, as amended, and the Lakeview Grazing Management Final EIS/Record of Decision. Valid decisions and guidance in these or other activity plans will be carried forward and brought into conformance with the final EIS and approved Lakeview RMP.

Two public meetings are scheduled for the purposes of disseminating information and accepting public comments:

July 13, 1999 from 7 p.m. to 9 p.m.

BLM—Lakeview District Office, 1300 South G Street, Lakeview, OR 97630

July 14, 1999 from 7 p.m. to 9 p.m.

North Lake School, County Road 510, Silver Lake, OR 97638

Written comments regarding the plan will also be accepted. For comments to be most helpful, they should relate to specific concerns or conflicts that are within the legal responsibilities of BLM and they must be able to be resolved in this planning process.

DATES AND ADDRESSES: All written comments should be sent to Dwayne Sykes, RMP Team Leader, Bureau of Land Management, HC 10 Box 337,

Lakeview, OR 97630. The comment period closes July 31, 1999.

SUPPLEMENTARY INFORMATION: This land use plan will focus on the principles of multiple use management and sustained yield as prescribed by section 202 of the FLPMA. This plan will provide direction for management of the public lands within the Lakeview Resource Area for 15-20 years after the plan is completed. Several management alternatives covering a wide range of management actions and resource uses will be and analyzed in the plan. These alternatives will be developed based on internal staff discussions, public input during this scoping process, and meetings with tribal and government agencies. Tentative issues have been identified which will be addressed in the RMP, including designation and management of special management areas, upland ecosystem management and restoration, riparian and wetland area management, motorized vehicle use, and social needs related to local communities and tribes. These issues may be modified or other issues may be developed as a result of public scoping. In addition to issues, several management concerns will also be addressed in the RMP.

The dissemination of information relating to the preparation of the RMP/EIS and opportunities for public input will be provided throughout the process. Ample public notice of these opportunities will be given as they arise.

FOR FURTHER INFORMATION: Contact Dwayne Sykes, (541) 947-6148 (phone), (541) 947-6399 (fax), or e-mail d1sykes@or.blm.gov.

Dated: June 9, 1999.
