

the Order to Show Cause was sent to Dr. Harrison at an address in Massachusetts. On November 24, 1998, DEA received a signed receipt for this Order to Show Cause. No request for a hearing or any other reply has been received by DEA from Dr. Harrison or anyone purporting to represent his in this matter.

Therefore, the Deputy Administrator, finding that (1) 30 days have passed since the receipt of the Order to Show Cause, and (2) no request for a hearing having been received, concludes that Dr. Harrison is deemed to have waived his hearing right. After considering material from the investigative file in this matter, the Deputy Administrator now enters his final order without a hearing pursuant to 21 CFR 1301.43(d) and (e) 1301.46.

The Deputy Administrator finds that Dr. Harrison currently possesses DEA Certificate of Registration AH6477942, issued to him in Rhode Island. In an Administrative Decision dated July 8, 1998, the Rhode Island Department of Health, Board of Medical Licensure and Discipline (Board) revoked Dr. Harrison's license to practice medicine. The Board concluded "that (Dr. Harrison) is seriously impaired and incompetent to practice."

The Deputy Administrator concludes that Dr. Harrison is not currently licensed to practice medicine in the State of Rhode Island and therefore, it is reasonable to infer that he is not currently authorized to handle controlled substances in that state. The DEA does not have the statutory authority under the Controlled Substances Act to issue or maintain a registration if the applicant or registrant is without state authority to handle controlled substances in the state in which he conducts his business. See 802(21), 823(f) and 824(a)(3). This prerequisite has been consistently upheld. See *Romeo J. Perez, M.D.*, 62 FR 16,193 (1997); *Demetris A. Green, M.D.*, 61 FR 60,728 (1996); *Dominick A. Ricci, M.D.*, 58 FR 51,104 (1993).

Here it is clear that Dr. Harrison is not currently authorized to handle controlled substances in the State of Rhode Island. As a result, Dr. Harrison is not entitled to a DEA registration in that state.

Accordingly, the Deputy Administrator of the Drug Enforcement Administration, pursuant to the authority vested in him by 21 U.S.C. 823 and 824 and 28 CFR 0.100(b) and 0.104, hereby orders that DEA Certificate of Registration AH6477942, previously issued to John Robert Harrison, M.D., be, and it hereby is, revoked. The Deputy Administrator further orders that any pending applications for the

renewal of such registration, be, and they hereby are, denied. This order is effective July 23, 1999.

Dated: June 14, 1999.

**Donnie R. Marshall,**

*Deputy Administrator.*
