Drug Enforcement Administration

Jeffrey I. Goltz, M.D.; Revocation of Registration

On November 5, 1998, the Deputy Assistant Administrator, Office of Diversion Control, Drug Enforcement Administration (DEA) issued an Order to Show Cause to Jeffrey I. Goltz, M.D., of Washington, DC, notifying him of an opportunity to show cause as to why DEA should not revoke his DEA Certificate of Registration AG2606599 pursuant to 21 U.S.C. 824(a)(3), for reason that he is not currently authorized to handle controlled substances in the District of Columbia. The order also notified Dr. Goltz that should no request for a hearing be filed within 30 days, his hearing right would be deemed waived.

The Order to Show Cause Was sent to Dr. Goltz by registered mail to his DEA registered address, but was returned to DEA with a notation that Dr. Goltz had moved without leaving a forwarding address. Copies of the Order to Show Cause were sent by regular mail to Dr. Goltz at a correctional facility in Maryland and to an attorney who had previously represented Dr. Goltz. Thereafter, a DEA investigator went to Dr. Goltz' registered address and learned that he no longer resided at that location.

No request for a hearing or any other reply was received by the DEA from Dr. Goltz or anyone purporting to represent him in this matter. The Deputy Administrator finds that DEA has made numerous attempts to serve Dr. Goltz with the Order to Show Cause without success. It is evident that Dr. Goltz is no longer practicing medicine at the address listed on his DEA Certificate of Registration. Dr. Goltz is therefore deemed to have waived his opportunity for a hearing. The Deputy Administrator now enters his final order in this matter without a hearing and based on the investigative file pursuant to 21 CFR 1301.43(d) and (e) and 1301.46.

The Deputy Administrator finds that a letter in the investigative file dated March 5, 1998, from the District of Columbia Department of Consumer and Regulatory Affairs indicates that Dr. Goltz' District of Columbia controlled substances registration expired on July 30, 1996. Therefore, the Deputy Administrator finds that Dr. Goltz is not currently authorized to handle controlled substances in the District of Columbia, where he is registered with DEA.

DEA does not have the statutory authority under the Controlled Substances Act to issue or maintain a registration if the applicant or registrant is without state authority to handle controlled substances in the state in which he conducts his business. See 21 U.S.C. 802(21), 823(f) and 824(a)(3). This prerequisite has been consistently upheld. See *Romeo J. Perez, M.D.* 62 FR 16,193 (1997); *Demetris A. Green, M.D.* 61 FR 60,728 (1996); *Dominick A. Ricci, M.D.* 58 FR 51,104 (1993).

Here it is clear that Dr. Goltz is not currently authorized to handle controlled substances in the District of Columbia. Therefore, Dr. Goltz is not entitled to a DEA registration there.

Accordingly, the Deputy Administrator of the Drug Enforcement Administration, pursuant to the authority vested in him by 21 U.S.C. 823 and 824 and 28 CFR 0.100(b) and 0.104, hereby orders that DEA Certificate of Registration AG2606599, previously issued to Jeffrey I. Goltz, M.D., be, and it hereby is, revoked. The Deputy Administrator further orders that any pending applications for the renewal of such registration, be, and they hereby are, denied. This order is effective July 23, 1999.

Dated: June 14, 1999.

Donnie R. Marshall,

Deputy Administrator.

Drug Enforcement Administration

John Robert Harrison, M.D.; Revocation of Registration

On November 17, 1998, the Deputy Assistant Administrator, Office of Diversion Control, Drug Enforcement Administration (DEA), issued an Order to Show Cause to John Robert Harrison, M.D., of Rhode Island, notifying him of an opportunity to show cause as to why DEA should not revoke his DEA Certificate of Registration AH6477942 under 21 U.S.C. 824(a)(3), and deny any pending applications for renewal of his registration pursuant to 21 U.S.C. 823(f), for reason that he is not currently authorized to handle controlled substances in the State of Rhode Island. The order also notified Dr. Harrison that should no request for a hearing be filed within 30 days, his hearing right would be deemed waived.

The Order to Show Cause was sent by registered mail to Dr. Harrison's registered location in Rhode Island, and was returned to DEA. Another copy of

the Order to Show Cause was sent to Dr. Harrison at an address in Massachusetts. On November 24, 1998, DEA received a signed receipt for this Order to Show Cause. No request for a hearing or any other reply has been received by DEA from Dr. Harrison or anyone purporting to represent his in this matter.

Therefore, the Deputy Administrator, finding that (1) 30 days have passed since the receipt of the Order to Show Cause, and (2) no request for a hearing having been received, concludes that Dr. Harrison is deemed to have waived his hearing right. After considering material from the investigative file in this matter, the Deputy Administrator now enters his final order without a hearing pursuant to 21 CFR 1301.43(d) and (e) 1301.46.

The Deputy Administrator finds that Dr. Harrison currently possesses DEA Certificate of Registration AH6477942, issued to him in Rhode Island. In an Administrative Decision dated July 8, 1998, the Rhode Island Department of Health, Board of Medical Licensure and Discipline (Board) revoked Dr. Harrison's license to practice medicine. The Board concluded "that (Dr. Harrison) is seriously impaired and incompetent to practice."

The Deputy Administrator concludes that Dr. Harrison is not currently licensed to practice medicine in the State of Rhode Island and therefore, it is reasonable to infer that he is not currently authorized to handle controlled substances in that state. The DEA does not have the statutory authority under the Controlled Substances Act to issue or maintain a registration if the applicant or registrant is without state authority to handle controlled substances in the state in which he conducts his business. See 802(21), 823(f) and 824(a)(3). This prerequisite has been consistently upheld. See *Romeo J. Perez, M.D.*, 62 FR 16,193 (1997); *Demetris A. Green, M.D.*, 61 FR 60,728 (1996); *Dominick A. Ricci, M.D.*, 58 FR 51,104 (1993).

Here it is clear that Dr. Harrison is not currently authorized to handle controlled substances in the State of Rhode Island. As a result, Dr. Harrison is not entitled to a DEA registration in that state.

Accordingly, the Deputy Administrator of the Drug Enforcement Administration, pursuant to the authority vested in him by 21 U.S.C. 823 and 824 and 28 CFR 0.100(b) and 0.104, hereby orders that DEA Certificate of Registration AH6477942, previously issued to John Robert Harrison, M.D., be, and it hereby is, revoked. The Deputy Administrator further orders that any pending applications for the

renewal of such registration, be, and they hereby are, denied. This order is effective July 23, 1999.

Dated: June 14, 1999.

Deputy Administrator.
