

comprehensive reference to assist with Regional and State implementation of the rules. The draft guidance has been developed based on input from an Environmental Protection Agency (EPA) Headquarters and Regional staff workgroup, several State-EPA training meetings, and State review of a previous version of the guidance. Along with summaries of each rule, the document contains guidance for preparing State primacy revision applications, and a thorough list of questions and answers compiled during Regional and State training meetings. The implementation guidance covers special primacy requirements for States, information on compliance determinations, Safe Drinking Water Information System (SDWIS) reporting and definitions for significant non-compliance.
