DEPARTMENT OF ENERGY

Availability of Solicitation for Advanced Technologies for Stripper Gas Well Enhancement

AGENCY: The Federal Energy Technology Center, Department of Energy, Pittsburgh.

ACTION: Notice of issuance of financial assistance solicitation.

SUMMARY: The U. S. Department of Energy's (DOE), Federal Energy Technology Center (FETC) announces that it intends to issue a competitive Program Solicitation (PS), No. DE-PS26-99PC40564 for the program entitled "Advanced Technologies for Stripper Gas Well Enhancement". Through this solicitation, DOE seeks to support applications for research and development of techniques, technologies, or methodologies which will improve the production performance of stripper gas wells. The proposed efforts must incorporate

innovative field technologies for use in stripper gas wells to increase production, reduce operating costs, increase environmental compliance, or combinations thereof. These techniques or technologies would then be validated/demonstrated in at least two (2) verification wells. Applications will be subjected to a comparative merit review by a DOE technical panel, and awards will be made to a limited number of applicants on the basis of the scientific merit, application of relevant program policy factors, and the availability of funds.

DATES: The solicitation is expected to be ready for release by June 17, 1999 and will have three (3) separate closing dates for submission of applications. The first closing date will be on or about July 17, 1999; the second closing date on or about November 1, 1999; and the third closing date will be on or about March 31, 2000. It should be noted that applications will only be considered for the closing date for which they are submitted. Applications must be prepared and submitted in accordance with the instructions and forms in the Program Solicitation and prior to submitting applications, check for any changes (i.e. closing date of solicitation) and/or amendments, if any, through the Internet at FETC's Home Page <<http://www.fetc.doe.gov/business>>.

FOR FURTHER INFORMATION CONTACT: Ms. Jo Ann C. Zysk, U.S. Department of Energy, Federal Energy Technology Center, Acquisition and Assistance Division, P.O. Box 10940, MS 921-107, Pittsburgh, PA 15236; Telephone: (412) 892-6200, FAX: (412) 892-6216, E-mail: zysk@fetc.doe.gov.

ADDRESSES: The solicitation will be available through the Internet at FETC's Home Page <<http://www.fetc.doe.gov/business>>. Telephone requests will not be accepted for any format version of the solicitation.

SUPPLEMENTARY INFORMATION: Through Program Solicitation No. DE-PS26-99PC40564, the Department of Energy seeks applications for ideas, technologies, or methodologies which would benefit the stripper gas industry; however, the effort must be economically and environmentally viable.

Eligibility

Eligibility for participation in this Program Solicitation is considered to be full and open and all interested parties may apply. Interested parties must also agree that data and information generated during the performance of the project will be transferred to the public. The solicitation will contain a complete
