

Schedule FERC No. 112, for transmission service for New York State Electric & Gas Corporation (NYSEG).

Con Edison has requested a waiver so that the supplement can be effective as of April, 1999, consistent with the terms of Rate Schedule 112.

Con Edison states that a copy of this filing has been served by mail upon NYSEG.

Any person desiring to be heard or to protest such filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). All such motions and protests should be filed on or before July 6, 1999. Protests will be considered by the Commission to determine the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection. This filing may also be viewed on the Internet at <http://www.ferc.fed.us/online/rims.htm> (call 202-208-2222 for assistance.)

Indeck-Olean Limited Partnership; Notice of Issuance of Order

June 21, 1999.

Indeck-Olean Limited Partnership (Indeck-Olean), a Delaware limited partnership, created for the purpose of owning an 80 MW cogeneration facility located in Olean, New York (hereafter, Indeck-Olean) filed a proposed rate schedule that would allow it to make sales of power at market-based rates, and for certain waivers and authorizations. In particular, Indeck-Olean requested that the Commission grant blanket approval under 18 CFR Part 34 of all future issuances of securities and assumptions of liabilities by Indeck-Olean. On June 17, 1999, the commission issued an Order Accepting For Filing Proposed Rate Schedule for Sales Of Capacity, Energy And Ancillary Services At Market-Based Rates (Order), in the above-docketed proceeding.

The Commission's June 17, 1999 Order granted the request for blanket approval under Part 34, subject to the conditions found in Ordering Paragraphs (D), (E), and (G):

(D) Within 30 days of the date of this order, any person desiring to be heard or to protest the Commission's blanket approval of issuances of securities or assumptions of liabilities by Indeck-Olean should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure, 18 CFR 385.211 and 385.214.

(E) Absent a request to be heard within the period set forth in Ordering Paragraph (D) above, Indeck-Olean is hereby authorized to issue securities and assume obligations and liabilities as guarantor, indorser, surety or otherwise in respect to any security of another person; provided that such issue or assumption is for some lawful object within the corporate purposes of Indeck-Olean, compatible with the public interest, and reasonably necessary or appropriate for such purposes.

(G) The Commission reserves the right to modify this order to require a further showing that neither public or private interests will be adversely affected by continued Commission approval of Indeck-Olean's issuances of securities or assumptions of liabilities * * *.

Notice is hereby given that the deadline for filing motions to intervene or protests, as set forth above, is July 19, 1999.

Copies of the full text of the Order are available from the Commission's Public Reference Branch, 888 First Street, NE., Washington, DC 20426.

Indiana Municipal Power Agency Complainant, vs. American Electric Power Service Corporation Respondent. Notice of Filing

June 21, 1999.

Take notice that on July 18, 1999, Indiana Municipal Power Agency (IMPA) filed a complaint against American Electric Power Service Corporation (AEP), alleging that AEP's

transmission rates and revenue requirements are unjust and unreasonable because historical costs have changed dramatically and AEP's revenues from use of its transmission system by third parties and by AEP for off-system sales have substantially increased.

Any person desiring to be heard or to protest such filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, NE, Washington, DC 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). All such motions and protests should be filed on or before July 8, 1999. Protests will be considered by the Commission to determine the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection. This filing may also be viewed on the Internet at <http://www.ferc.fed.us/online/rims.htm> (call 202-208-2222 for assistance). Answers to the complaint shall also be due on or before July 8, 1999.

Niagara Mohawk Power Corporation and Erie Boulevard Hydropower, L.P.; Notice of Issuance of Order

June 21, 1999.

Niagara Mohawk Power Corporation (Niagara Mohawk) and Erie Boulevard Hydropower, L.P. (Erie Boulevard) filed a joint application pursuant to section 203 of the Federal Power Act requesting Commission authorization for Niagara Mohawk to sell, and for Erie Boulevard to purchase, certain jurisdictional transmission facilities. Erie Boulevard is a limited partnership formed for the purpose of purchasing, owning and operating the hydroelectric generating plants it is purchasing from Niagara Mohawk. Erie Boulevard also requested market-based rate authority, and certain waivers and authorizations. In particular, Erie Boulevard requested that the Commission grant blanket approval
