

SUPPLEMENTARY INFORMATION:

Background

The Coast Guard is seeking applicants to fill six vacant positions on MERPAC. Applications must reach the Coast Guard on or before August 1, 1999.

Need for Correction

As published, the notice contains an incorrect website address that may prove to be misleading and therefore needs to be corrected. The notice also inaccurately states that there are five vacancies when, in fact there are six.

Correction of Publication

Accordingly, the **Federal Register** publication on June 8, 1999, of the request for applications in FR Doc. 99-14509 is corrected as follows:

1. On page 30556, in the second column, under **ADDRESSES**, line 10, the website address "http://dms.dos.gov" should read "http://dms.dot.gov".

2. On page 30556, in the second column, under **SUPPLEMENTARY INFORMATION**, line 1 of the second paragraph, the first word "MERPCAS" should read "MERPAC".

3. On page 30556, in the second column, under **SUPPLEMENTARY INFORMATION**, line 2 of the third paragraph, "applications for five positions that" should read "applications for six positions that".

4. On page 30556, in the third column, under **SUPPLEMENTARY INFORMATION**, line 4 "(d) Marine Educator associated with a" should read "(d) Two Marine Educators associated with a".

AGENCY: Federal Aviation Administration, DOT.

ACTION: Notice.

SUMMARY: The Federal Aviation Administration announces the closure of workspace provided for Aviation Safety Inspectors in Billings, MT.

EFFECTIVE DATE: This notice is effective as of July 15, 1999.

Thus, closure of this workspace became appropriate in the interest of efficient use of taxpayer dollars. After this workspace is closed, the Flight Standards Aviation Safety Inspectors will continue to provide the same level of service.
