

for terms of less than 20 years is the average of the rates published in the Bond Buyer for the same four weeks in the table of "Municipal Market Data—General Obligation Yields" or the successor to this table. No interest rate may exceed the interest rate for Water and Waste Disposal loans.

The table of Municipal Market Data includes only rates for securities maturing in 1999 and at 5 year intervals thereafter. The rates published by RUS reflect the average rates for the years shown in the Municipal Market Data table. Rates for interest rate terms ending in intervening years are a linear interpolation based the average of the rates published in the Bond Buyer. All rates are adjusted to the nearest one eighth of one percent (0.125 percent) as required under § 1714.5(a). The market interest rate on Water and Waste Disposal loans for this quarter is 5.125 percent.

In accordance with § 1714.5, the interest rates are established as shown in the following table for all interest rate terms that begin at any time during the third calendar quarter of 1999.

SUPPLEMENTARY INFORMATION:

I. Abstract

The Bureau of the Census developed the Accuracy and Coverage Evaluation approach for measuring coverage of the population in the decennial census. In the Accuracy and Coverage Evaluation, we independently count a sample of housing units and the people living in those units, then compare those results to the census. We then use this comparative information to produce final estimates of the coverage for Census 2000. The Accuracy and Coverage Evaluation approach was tested during the Census 2000 Dress Rehearsal in Columbia, South Carolina. The Accuracy and Coverage Evaluation was formerly referred to as the Post-
