FEDERAL TRADE COMMISSION

Premerger Notification: Reporting and Waiting Period Requirements

AGENCY: Federal Trade Commission.

ACTION: Notice of amendment of Formal Interpretation 15.

SUMMARY: The Premerger Notification Office ("PNO") of the Federal Trade Commission ("FTC"), with the concurrence of the Assistant Attorney General in charge of the Antitrust Division of the Department of Justice ("DOJ"), is amending a Formal Interpretation of the Hart-Scott-Rodino Act, which requires persons planning certain mergers, consolidations, or other acquisitions to report information about the proposed transactions to the FTC and DOJ. The Interpretation concerns the reportability of certain transactions involving the formation of a Limited Liability Company ("LLC"), a relatively new form of entity authorized by state statutes, resulting in the combination of businesses into the new LLC.

This Formal Interpretation was first published on October 13, 1998, together

with a request for comments, to become effective on December 14, 1998. 63 FR 54713 (October 13, 1998). The PNO received six comments which were placed on the public record. On December 2, 1998, the effective date of this Interpretation was postponed until February 1, 1999, to give the PNO staff more time to analyze and respond to the comments. 63 FR 66546 (December 2, 1998).

Formal Interpretation 15 was modified in response to the comments and republished on February 5, 1999. 64 FR 5808 (February 5, 1999). Under the revised Interpretation, the formation of an LLC which combines under common control in the LLC two or more pre-existing businesses will be treated as subject to the requirements of the HSR act under § 801.2(d) of the HSR rules, 16 CFR 801.2(d), which governs mergers and consolidations. Because Formal Interpretation 15 had been modified substantially, the effective date of the Interpretation was postponed until March 1, 1999. *Id.*

Shortly after the Interpretation became effective, it became apparent that the Interpretation as it applies to transactions involving existing LLCs does not give clear guidance. The section of the Interpretation dealing with acquisitions of and by existing LLCs has therefore been amended in a number of respects to explain how much transactions are to be analyzed. First, the first full paragraph in the third column 64 FR 5809 (February 5, 1999) has been deleted. Second, the four paragraphs in this notice which begin with the phrase "The acquisition of a membership interest in an existing LLC will be a potentially reportable event * * *" and end with phrase "* * * whether there is a change in any member's membership interest." have been inserted between the carryover paragraph and the first full paragraph in the second column at 64 FR 5810. Third, Example 2, at 64 FR 5811, has been revised in a number of respects. Fourth, a new Example 3 has been added, and current Examples 3 and 4 at 64 FR 5811 have been renumbered as Examples 4 and 5. Fifth, a new Example 6 has been added, and current Examples
