

(ii) one (1) receipt measurement facility located on the Main Pass 283 Platform through which Destin will receive the natural gas produced from the Main Pass 283 Platform; and (iii) one (1) delivery measurement facility located on the Main Pass 283 Platform through which Destin will deliver natural gas to the Main Pass 283 operator for start-up and gas-lift needs.

The estimated cost of the construction and installation of the facilities in \$4.6 million. However, out of an abundance of caution and concern for possible cost overruns that may cause the project to exceed the \$7.2 million limit for automatic authorization, Destin elected to request authorization, Destin elected to request authorization pursuant to the Commission's prior notice procedures.

Any person or the Commission's staff may, within 45 days after issuance of the instant notice by the Commission, file pursuant to rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and pursuant to section 157.205 of the Regulations under the Natural Gas Act (18 CFR 157.205) a protest to the request. If no protest is filed within the time allowed therefor, the proposed activity shall be deemed to be authorized effective the day after the time allowed for filing a protest. If a protest is filed and not withdrawn within 30 days after the time allowed for filing a protest, the instant request shall be treated as an application for authorization pursuant to section 7 of the Natural Gas Act.
